

**ILLINOIS POWER AGENCY
BLOCK ENERGY AND CAPACITY RFP
PROCUREMENT EVENTS
APPENDIX 5: PART 1 FORM (ILLUSTRATIVE)**

Pursuant to Illinois Public Act 95-0481, the Illinois Power Agency (“IPA”) filed a Procurement Plan, which provides for purchase of electric supply to serve certain customers of Ameren Illinois Company (“AIC”), Commonwealth Edison Company (“ComEd”), and MidAmerican Energy Company (“MEC”). AIC, ComEd, and MEC are each referred to as a “Company”.

The Part 1 Proposal consists of the online Part 1 Form and attachments that are uploaded to the application website (or sent to the Procurement Administrator via email). Before completing the Part 1 Form for the Block Energy and Capacity RFP (“BEC RFP”), please review the RFP Rules, the (AIC) Confirmation Agreement, the (ComEd) Master Agreement, the (MEC) Confirmation Agreement, and the (AIC) Capacity Agreement so that you understand the conditions under which the BEC RFP will be conducted. These documents are available on the procurement website, www.ipa-energyrfp.com.

By submitting a Part 1 Proposal in response to the BEC RFP, you agree to all the terms and conditions of the BEC RFP.

Any information that you provide in this Part 1 Proposal is provided on a confidential basis to the Procurement Administrator, and may be provided on a confidential basis to the Procurement Monitor, to the IPA, or to the Staff of the Illinois Commerce Commission (“ICC”). Each Company’s representatives will review responses to financial requirements for its procurement events. AIC, ComEd, and MEC will also review information provided in Contract Inserts for its procurement events and comments to letters of credit, if applicable. Any information provided to AIC, ComEd, and MEC will also be provided to the Procurement Monitor.

INSTRUCTIONS FOR PROPOSAL

Bidders use the online Part 1 Form and upload required documents to respond to the qualification standards of the RFP Rules. Bidders request an account to access the application website from the Procurement Administrator via email (Illinois-RFP@nera.com) or by submitting the [Qualification Registration Form](#) on the Qualification Forms page of the procurement website.

The Procurement Administrator evaluates Bids submitted in accordance with this RFP for each Bidder that qualifies pursuant to a successful Part 1 Proposal and that submits a Part 2 Proposal that fulfills all the requirements of the RFP Rules.

Please complete all sections. If a section does not pertain to you, you will be required to check a box and move on to the next section.

I. Part 1 Proposal Submission

Bidders must:

- Complete the online Part 1 Form in its entirety;
- Submit **one (1) copy** of any documents, including Inserts, required to support the online Part 1 Form by email to Illinois-RFP@nera.com or by upload to the application website.

All times are Central Prevailing Times (“CPT”) unless specifically noted.

The online Part 1 Form must be submitted no later than 12 PM (noon) CPT on Friday, March 25, 2022 (the Part 1 Date).

Some of the documents required to support the online Part 1 Form are “Inserts”. Each of these Inserts will be available as a separate form on the procurement website or from the Procurement Administrator. A Bidder that is required to submit a particular Insert will complete this form and upload the form to the application website (or send the form by email). An Insert may be:

- Completed by printing and signing the Insert or using an electronic signature (such as a picture of a signature). In this case, the Insert must be sent by email by the signatory or with the signatory on copy.
or
- Submitted with a digital signature and a document or information verifying the identity of the signatory.

For illustrative purposes, the Inserts are shown throughout this Part 1 Form in orange boxes. The format and exact content of the Inserts may differ from the illustrative Inserts provided through this Part 1 Form. **Fields for upload of other documents are designated by a paperclip.**

Inquiries may be directed to the Procurement Administrator through the “Ask a Question” page on the procurement website at www.ipa-energyrfp.com.

II. Part 1 Proposal Processing

Notifications

Any notification or other written communication from the Procurement Administrator to a Bidder will be sent to the email addresses provided for the Representative and the Nominee(s). Any such notification or communication will be deemed received by the Bidder at the time of delivery or transmission, provided that when delivery or transmission occurs after 6 PM on a business day or occurs on a day that is not a business day, receipt will be deemed to occur at 9 AM on the following business day. Any email from the Bidder to the Procurement Administrator should be addressed to Illinois-RFP@nera.com to ensure a prompt reply.

Acknowledgment of Receipt

The exclusive method for a Bidder to respond to the qualification standards required in the Part 1 Proposal is by completing the online Part 1 Form and uploading the supporting documents to the application website (or sending these supporting documents via email to the Procurement Administrator). Upon first submission of the online Part 1 Form or supporting documents, the Procurement Administrator acknowledges receipt by email.

Timing of Part 1 Proposal Review

All materials for the Part 1 Proposal must be received by 12 PM (noon) on the Part 1 Date. If a Part 1 Proposal is received before 12 PM (noon) on any business day during the Part 1 Window, the Procurement Administrator acknowledges receipt on the day the materials are received with the results of an initial review. If a Part 1 Proposal is received after 12 PM (noon) on any business day during the Part 1 Window prior to the Part 1 Date, the Procurement Administrator sends the acknowledgment of receipt along with the initial review by 12 PM (noon) of the next day. The initial review states either that the Part 1 Proposal is complete and is being considered, or the initial review lists items of the Part 1 Proposal that are incomplete or require clarification.

Deficiencies

If the Part 1 Proposal from a Bidder is incomplete or requires clarification, the Procurement Administrator sends a deficiency notice to the Bidder. If a Bidder receives a first deficiency notice from the Procurement Administrator regarding any item of the Part 1 Proposal, the Bidder has until 12 PM (noon) on the Part 1 Date, or until 6 PM on the day following the business day during which a first deficiency notice is sent to the Bidder, whichever comes later, to respond. If the Bidder responds to a deficiency notice within the time allowed but the response does not correct all deficiencies, the Bidder will, to the extent feasible, receive a further deficiency notice from the Procurement Administrator with additional time to respond. Such additional time to respond to a further deficiency notice will be no longer than (and may be shorter than) the time allowed under a first deficiency notice. If a Bidder fails to respond to a deficiency notice within the time allowed or if a Bidder fails to provide additional information in response to a deficiency notice within the time allowed, the Part 1 Proposal will be rejected. If the Part 1 Proposal is complete, the Procurement Administrator sends a notice that the Part 1 Proposal is complete and is being considered.
