

**RESPONSE TO ILLINOIS POWER AGENCY REQUEST FOR COMMENTS
ON BEHALF OF [Commenter 9]**

February 9, 2022

[Commenter 9] appreciate the opportunity to respond to the Illinois Power Agency’s most recent solicitation for comments related to the Draft Indexed REC Contract.

The Procurement Administrator invites stakeholder feedback on any aspect of the Draft Indexed REC Contract.

[Commenter 9] **RESPONSE:** As an initial matter, [Commenter 9] strongly support removal of the annual payment maximum. Based on a review of the updated key terms (which will be subject to separate comments), it appears that the IPA now will use the estimated annual amount for planning purposes but not as a limit on the contract. Once again, while [Commenter 9] appreciate the IPA being mindful of the RPS budget in light of pre-Public Act 102-0662 revenue shortfalls, [Commenter 9] further agree future shortfalls should be addressed through the budgeting process.

- **Sections 1.70 and 1.71:** [Commenter 9] support the index approach of each hour, netting the strike price against the LMP and multiplying by delivered quantity during that hour. This approach—rather than a daily averaging or load-weighting—ensures to the maximum extent that the strike is against the actual energy revenue of the system. Of course, there will always be some risk (sometimes referred to as “basis risk”) between the system’s node and the zonal LMP against which the system will be settled. While the nodal and zonal LMPs may differ, [Commenter 9] believe that basis risk is an acceptable one for winning bidders to take on. However, for brownfield solar, some smaller (under 20 MW) systems may bid and successfully enter the program. Both ComEd and Ameren offer fixed-rate on-peak and off-peak pricing that changes annually as an alternative to being paid the LMP for systems under 20 MW. *See* ILL C.C. No. 10, Original Sheet No. 289.1-14th Revised Sheet No. 290; ILL C. C. No. 1, 2d Revised Sheet No. 28. [Commenter 9] recommend allowing such a system elect to have the “strike price” be the applicable QF fixed rate. While the system owner may see some benefit from removal of basis risk, [Commenter 9] believe the overall RPS program will benefit because each year the on-peak and off-peak prices will act as a collar, eliminating RPS budget risk from unusually low LMPs. Prices may change annually and thus limit visibility for the duration of the REC Contract, once the on-peak/off-peak pricing is updated each year the IPA and utilities will be better able to plan annual budgets.
- **Sections 1.44, 4.1(c), and 10.1** [Commenter 9] also support the move to an (approximately) three year runway for delivery of the first REC, extendable an additional

two years upon payment of \$20/REC (annual quantity). This approach is better than previous REC Contracts that had shorter deadlines and treated interconnection delays as *force majeure*.¹ The revised approach has the effect of (1) encouraging winning bidders to problem-solve rather than take the steps necessary to make the strongest *force majeure* case, and (2) encourage—as much as a project maturity requirement—submission of more advanced projects. In addition, because previous iterations of the REC Contract allowed utility Buyers to terminate after 730 continuous days of *force majeure*, moving to a three years plus the option to buy two more for an increased deposit keeps the amount of extra time available constant.

That said, [Commenter 9] note that the REC Contract should reflect an automatic day-for-day applicable to projects where the RTO succeeds in pausing the interconnection queue as PJM proposes to do now. While [Commenter 9] anticipate opposing any pause in an RTO or ISO interconnection queue, a pause may occur notwithstanding the industry’s best efforts in opposition. Even highly mature (but still short of a generator interconnection agreement, or “GIA”) projects caught in a queue pause may be unable to move forward despite the encouraged behavior of submitting projects that are further along toward development. In addition, failure to include some sort of backstop will discourage PJM projects at a time when annual REC goals should be encouraging a broader range of projects to apply. [Commenter 9] added language to Section 10.1 in case the interconnection pause lasts longer than 730 days.

- **Section 5.4:** [Commenter 9] agree that return of RECs in the event that Buyer is permanently unable to recover costs through Buyer’s pass-through tariff—for instance because the pass-through tariff prohibited by a future law. However, as the IPA, the utility Buyers, and others experienced in late 2020 and early 2021, under some circumstances there may be a temporary projected budget shortfall but not a persisting inability of the utility Buyers to recover costs through their respective pass-through tariffs. The Illinois Commerce Commission—on its own motion or at the suggestion of the IPA or another party—may renew the IPA’s successful proposal from 2021 to require the utility Buyers to pay to the maximum of their budget and defer the remainder of payments. In such an instance, the Seller should not be forced to accept returned RECs and instead should be able to receive payment to the extent directed by the Illinois Commerce Commission. To effectuate this change, [Commenter 9] recommend the following changes to the second sentence of the second paragraph as follows:

If, for whatever reason, Buyer is not allowed to or cannot recover such costs from its customers through its pass-through tariffs for the payment of RECs Delivered for a Delivery Year, then, Buyer shall provide written notice to Seller of such occurrence and notwithstanding anything to the contrary in the Agreement, Buyer shall not be required to advance payment to Seller for RECs Delivered for the remainder of the Delivery Year and Buyer shall return to Seller within ninety (90) days of the conclusion of such Delivery

¹ [Commenter 9] do recognize that *force majeure* was a method to address statutory deadlines under previous iterations; here where there is no statutory deadline [Commenter 9] prefer the structure proposed in this draft.

Year any unpaid RECs that are associated with a Vintage within such Delivery Year. **Notwithstanding the preceding, to the extent that the Illinois Commerce Commission has ordered Buyer defer (or offer to defer) certain payments, Buyer shall not return RECs except under the conditions directed by the Illinois Commerce Commission or upon Seller's request.**

- **Section 14.1:** [Commenter 9] support the limitation on Seller liability. [Commenter 9] appreciate that it is not unreasonable for both parties to have limits on liability. However, [Commenter 9] recommend that the limitation on liability for Buyer should have an exception for non-payment. In theory, if Buyer refused to pay at all, under a strict reading of Section 14.1 Buyer's liability would be zero because 110% of the "total payments Seller has received from Buyer" would be zero. As a result, [Commenter 9] recommend the following modification to the final paragraph of Section 14.1: "Notwithstanding any other provisions of this Agreement, **except for a dispute over payment obligations which shall be capped at the amount Buyer is determined to owe to Seller,** in no event shall Buyer be liable to Seller in an amount that exceeds one hundred and ten percent (110%) of the total payments Seller has received from Buyer associated with RECs from the Project."
- **Section 15.2:** [Commenter 9] recommend an exception to the exclusive binding arbitration provision to allow either party to seek resolution before the Illinois Commerce Commission. For some matters—particularly those involving interpretation of the REC Contract's obligations as it relates to REC deliveries and utility payments—are better resolved universally by the Commission than privately for just the two parties involved in arbitration. To that end, [Commenter 9] recommend that the first sentence of Section 15.2(1) be revised as follows: "Any dispute or claim arising out of or related hereto or any breach thereof or any need for interpretation related to any dispute arising out of or related hereto will be settled by binding arbitration administered by the American Arbitration Association (the "AAA") in Illinois, **however nothing in this Section prevents either Party from pursuing any cause of action before the Illinois Commerce Commission over which the Illinois Commerce Commission has jurisdiction.**"

Project, the result obtained by multiplying \$2.50 and the RFP Awarded Annual Quantity, and means with respect to a Utility-Scale Solar Project or a Brownfield Site Photovoltaic Project, the result obtained by multiplying \$5.00 and the RFP Awarded Annual Quantity; provided that in either case the Commercially Reasonable Threshold shall be subject to a minimum of \$25,000 and a maximum of \$1,000,000. For example, if the Project is a Utility-Scale Wind Project and the RFP Awarded Annual Quantity is 6,000, then the Commercially Reasonable Threshold shall be \$25,000 given the result obtained by multiplying \$2.50 and the RFP Awarded Annual Quantity is less than \$25,000. Similarly, if the Project is a Utility-Scale Wind Project and the RFP Awarded Annual Quantity is 500,000, then the Commercially Reasonable Threshold shall be capped at \$1,000,000 given the result obtained by multiplying \$2.50 and the RFP Awarded Annual Quantity is greater than \$1,000,000.

For purposes of this calculation, the Index Price shall be the unrounded value as provided by the applicable Illinois trading hub and the MWh actual generation shall be the information as provided by Seller pursuant to Section 6.1, rounded to the sixth (6th) decimal place. Notwithstanding the preceding, if the Renewable Energy Facility

is a Qualifying Facility of under 20 MW and elects fixed-rate (as opposed to hourly) compensation, then the applicable on-peak or off-peak rate during the applicable hour shall replace the Index Price in the calculation in the first sentence of this Section.

1.72 “Regulatorily Continuing” means, with respect to the Transaction, the Product shall comply with the requirements of the Applicable Program, as of each Delivery Date, and Seller will do what is necessary to cause the Product that is Delivered to comply with such requirements; except as otherwise provided in Section 11.1.

ARTICLE 2: PRODUCT AND FACILITY REQUIREMENTS

2.1 Product.

(a) **Renewable Energy Credits.** The Product to be Delivered by Seller and received by Buyer under this Agreement is RECs generated from the Project, for which summary information is specified in the Product Order. Seller may not substitute RECs generated from a generator other than the Project. For avoidance of doubt, Buyer is not purchasing Seller’s Project.

(b) **Environmental Attributes.** Seller acknowledges and agrees that any Environmental Attribute associated with or related to the Product will not be sold or otherwise made available to a third party, but will be sold to Buyer pursuant to this Agreement. For the avoidance of doubt, the Product sold hereunder must meet the definition of “renewable energy credit” and “indexed renewable energy credit” under the IPA Act.

(c) **No payment shall be due for any REC(s) that are associated with the generation of electricity that occurred outside the Acceptable Vintage Period (such RECs, “Ineligible RECs”).** Neither Party shall have an obligation to the other Party with respect to any Ineligible RECs. In the event that Ineligible RECs

are Delivered to Buyer, Buyer shall use commercially reasonable efforts to reject such Ineligible RECs.

(d) All RECs Delivered that are eligible for payment and that are not to be returned to Seller pursuant to Section 5.4 will be retired by Buyer. Buyer shall use commercially reasonable efforts to retire RECs within 120 days after each Delivery Year.

(e) For avoidance of doubt, neither the transfer of title nor the inadvertent retirement of a REC that is not eligible for payment in the Tracking System obligates Buyer to make payment to Seller or Seller to make payment to Buyer for such RECs.

2.2 Project Information.

The Product is unit specific; RECs Delivered under this Agreement must be from the Project specified in the Product Order and Seller represents as of each Delivery Date hereunder that:

(a) As required by Section 1-75(c)(1)(J) of the IPA Act, the Project is not and will not be a generating unit whose costs are being recovered through rates regulated by Illinois or any other state or states.

(b) The Project is a new project such that the Date of First Operation of the Project as recorded by PJM EIS GATS or M-RETS did not occur on or before June 1, 2017.

(c) The Project is located in Illinois or located in a state adjacent to Illinois. If the Project is located in a state adjacent to Illinois, Seller further acknowledges that, subsequent to the Effective Date, if it is determined by the IPA that the Project does not meet the public interest criteria in accordance with the application of the public interest criteria as detailed in the IPA's long term renewable resources procurement plan as approved by the Illinois Commerce Commission in ICC Docket No.19-0995, then an Event of Default shall be deemed to have occurred.

(d) The Project is from the Class of Resource indicated in the Product Order and meets the requirements specified in the IPA Act or rules promulgated by the ICC for the designated Class of Resource.

(e) If the Project is a Utility-Scale Wind Project or a Utility-Scale Solar Project, at least 50% of the Project is located within the physical location identified in the Site Description in the Product Order; and if the Project is a Brownfield Site Photovoltaic Project, the Project is entirely located within the physical location identified in the description of the Project Site in the Product Order and such Project Site currently features or featured actual blight or contamination prior to remediation.

(f) As required by Section 1-75(c)(1)(Q)(1) of the IPA Act, construction activities related to the Project are compliant with the prevailing wage requirements included in the Prevailing Wage Act, unless such Project is exempted from such requirements as indicated in the Product Order. These requirements apply to the wages of laborers, mechanics, and other workers employed in construction activities related to the Project. Applicable construction activities related to the Project include not only construction, but also any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented. All construction work performed by Seller, including its contractors and subcontractors, relating to construction, maintenance, repair, assembly, or disassembly work in relation to the Project has been or will be performed by employees receiving an amount equal to or greater than the "general prevailing rate of hourly wages", as defined in Section 3 of the Prevailing Wage Act. Seller, including its contractors and subcontractors, has provided express notice of these requirements to all laborers, mechanics and other workers employed to perform such work.

(g) As required by Section 1-75(c)(1)(Q)(2) of the IPA Act, the Project is built by General Contractors that have entered into a Project Labor Agreement prior to construction, unless such Project is exempted from such requirements as indicated in the Product Order.

(h) As required by Section 1-75(c)(7) of the IPA Act, if the Project generates electricity using photovoltaic cells, the Project has been installed by Qualified Persons in compliance with Section 16-128A of the Public Utilities Act and any rules or regulations adopted thereunder.

(i) If the Project is determined not to be in compliance with any of the provisions of Sections 2.2(a) through (h) (inclusive), then an Event of Default shall be deemed to have occurred. Upon the occurrence of such Event of Default, Buyer shall terminate this Agreement five (5) Business Days after written notice by Buyer to Seller unless Seller demonstrates, within such five (5) Business Day period and to the satisfaction of Buyer in its sole discretion, that such Event of Default has not occurred. For an Event of Default due to Section 2.2(a), Buyer shall be entitled to payment by Seller in the amount of the sum of: (i) the Collateral Requirement (or Increased Collateral Requirement, if applicable) and (ii) 110% of the total payments Seller has received from Buyer. For such Event of Default due to Section 2.2(b) through (h), Buyer shall be entitled to payment by Seller in the amount of the sum of: (i) the Collateral Requirement (or Increased Collateral Requirement, if applicable) and (ii) 100% of the total payments Seller has received from Buyer. The Parties acknowledge that (A) Buyer shall be damaged by the failure of Seller to comply with one or more of Sections 2.2(a) through (h) (inclusive), (B) it would be impracticable or extremely difficult to determine the actual damages resulting therefrom, (C) the remedies specified herein are fair and reasonable and do not constitute a penalty, and (D) the remedies specified in this Section 2.2 shall be Buyer's sole and exclusive remedy in the event that Seller fails to comply with one or more of Sections 2.2(a) through (h) (inclusive) and, for the avoidance doubt, neither Buyer nor Seller shall be entitled to any Termination Payment calculated pursuant to Section 9.4 under such circumstance.

2.3 REC Tracking Systems.

(a) The Parties will use PJM EIS GATS or M-RETS, as selected by Seller, as the tracking system for the Product.

(b) The Parties shall work together to establish an irrevocable Standing Order for the Project for the automatic recurring transfer of RECs to Buyer's account in PJM-EIS GATS or M-RETS:

- (i) Seller, as transferor of the RECs, shall confirm the Standing Order request within the PJM-EIS GATS or M-RETS within thirty (30) days of the later of: the Project's Date of Final Interconnection Approval or June 1, 2022. Buyer, as transferee, shall accept the properly submitted Standing Order request within the PJM-EIS GATS or M-RETS within thirty (30) days of receipt of such properly submitted Standing Order request.
- (ii) Buyer and Seller shall work together to remove the Standing Order within ten (10) Business Days after the last Delivery of RECs has occurred for the Acceptable Vintage Period. Buyer and Seller shall work together to suspend the Standing Order within ten (10) Business Days of the effective date of any Suspension Period and to lift such suspension once the Suspension Period has ended.
- (iii) The Standing Order shall be for the automatic recurring transfer of all RECs associated with a Vintage within the Acceptable Vintage Period.
- (iv) Seller shall provide written request to Buyer for the revocation of the Standing Order no earlier than thirty (30) days prior to the end of the Acceptable Vintage Period (or as soon as practicable in the case of an early termination of this Agreement) and Buyer shall revoke the Standing Order within thirty (30) days of receipt of such request.
- (v) Unless set forth herein, Buyer is not responsible for, and is under no obligation to return, any inadvertent transfer of RECs, including but not limited to, the Delivery of RECs that is outside of the Acceptable Vintage Period.

(c) Seller shall Deliver the RECs in an unretired state.

(d) The Parties shall abide by the applicable rules of PJM-EIS GATS or M-RETS. Seller shall take all actions necessary to ensure creation of RECs and REC Delivery through the Standing Order. Each Party shall bear the costs associated with performing its respective obligations in connection with such tracking system.

(e) If applicable in PJM EIS GATS and/or M-RETS, Seller represents that the RECs have been designated as “IL RPS eligible” by that registry, prior to transferring the RECs to Buyer’s PJM EIS GATS account or M-RETS account.

ARTICLE 3: TERM OF AGREEMENT

3.1 Incorporation of Product Order

The terms of the Transaction are as specified in this Agreement and in the Product Order. Buyer and Seller shall execute a Product Order substantially in the form of Exhibit A to this Agreement to confirm the terms of the Transaction. The Effective Date of this Agreement shall constitute the “Trade Date” indicated in the Product Order.

If the Parties have entered into another agreement that governs transactions other than the Transaction set forth in this Agreement, such other agreement shall not apply for the purposes of the Transaction confirmed under this Agreement, and this Agreement shall be treated as separate and stand-alone from all other transactions between the Parties. This Agreement shall apply solely for purposes of the Transaction specified herein and shall not apply for the purposes of any other transactions between the Parties.

3.2 Term of Agreement

Unless earlier terminated pursuant to the terms of this Agreement, the “Term” of this Agreement shall be from the Effective Date until the earlier of (a) the date on which the Maximum Contract Quantity has been Delivered by Seller to Buyer and payments for such RECs have been paid by the Party owing payment to the Party for which payment is due; or (b) the last day of the month immediately following the end of the Delivery Term. The Parties acknowledge that the Agreement allows for the Delivery of RECs from an Acceptable Vintage Period of a maximum total period of 241 months (excluding any Suspension Periods during which the Parties’ obligations are suspended as provided herein).

ARTICLE 4: DELIVERY OBLIGATIONS

4.1 Deliveries and Quantity.

(a) All RECs Delivered shall be from the Project. Each Delivery shall be deemed a representation by Seller to Buyer that the Product meets the requirements specified in this Agreement.

(b) Seller shall be permitted to Deliver RECs from the Project for payment by Buyer or payment by Seller, as applicable, starting on the first day of the Delivery Term through the last day of the Delivery Term. For avoidance of doubt, and notwithstanding the foregoing, only RECs associated with electricity generation that occurred within the Acceptable Vintage Period shall be eligible for payment in accordance with Section 2.1(c).

(c) As specified in Section 9.2(g), Seller’s failure to Deliver at least one (1) REC from the Project by Project by May 31, 2025 shall constitute an Event of Default unless (i) excused by Force Majeure or (ii) Seller has posted Performance Assurance to satisfy the Increased Collateral Requirement by May 31, 2025; in the case of (ii), the deadline shall be deemed automatically extended to May 31, 2027 for the

Delivery of at least one (1) REC from the Project. If the deadline for the Delivery of one (1) REC from the Project has been extended to May 31, 2027, Seller's failure to maintain Performance Assurance to satisfy the Increased Collateral Requirement or to Deliver at least one (1) REC from the Project by such extended deadline shall constitute an Event of Default. Upon the occurrence of such Events of Default, Buyer shall terminate this Agreement five (5) Business Days after written notice by Buyer to Seller unless Seller demonstrates, within such five (5) Business Day period and to the satisfaction of Buyer in its sole discretion, that Seller has posted Seller's Performance Assurance to satisfy the Increased Collateral Requirement required for an extension of the deadline to May 31, 2027 or Seller has made such Delivery by the deadline or the extended deadline, as applicable. For such Events of Default, Buyer shall be entitled to payment by Seller (i) in the amount of the Collateral Requirement if there has been no extension; or (ii) in the amount of the Increased Collateral Requirement if an extension is granted and Seller fails to Deliver at least one (1) REC from the Project by the extended deadline of May 31, 2027. The Parties acknowledge that (i) Buyer shall be damaged by the failure of Seller to Deliver at least one (1) REC from the Project by the deadline or extended deadline, as applicable, (ii) it would be impracticable or extremely difficult to determine the actual damages resulting therefrom, (iii) the remedies specified herein are fair and reasonable and do not constitute a penalty, and (iv) the remedy specified in this Section 4.1(c) shall be Buyer's sole and exclusive remedy in such Events of Default and, for the avoidance doubt, neither Buyer nor Seller shall be entitled to any Termination Payment under such circumstance. If Seller's failure is excused by Force Majeure and the Suspension Period continues for more than seven hundred thirty (730) consecutive days, then Buyer may terminate this Agreement. Each thirty (30) day period within the Suspension Period shall extend the Acceptable Vintage Period by a Vintage month such that a Suspension Period between one (1) and thirty (30) days shall extend the Acceptable Vintage Period by one (1) Vintage month and each subsequent thirty (30) day periods in the Suspension Period shall extend the Acceptable Vintage Period by a corresponding Vintage month.² No Settlement Amount or Termination Payment shall be due from or to either party as a result of any such termination.

(d) Prior to the deadline set forth in Section 4.1(c) for the Delivery of one (1) REC from the Project, if the Seller determines that it will not construct the Project in a timely manner, it shall provide a written notice of that determination to Buyer. In such a case, Buyer shall be entitled to payment by Seller in the amount of the Collateral Requirement or Increased Collateral Requirement, as applicable. Buyer shall terminate this Agreement within five (5) Business Days of the later of: (i) Buyer's receipt of written notice from Seller; or (ii) Buyer's receipt of payment in the amount of the Collateral Requirement or Increased Collateral Requirement, as applicable.

(e) Seller shall Deliver to Buyer, subject to Section 4.1(a), the Delivery Year Requirement in each Delivery Year. For purposes of calculating the Delivery Year Requirement during the first three hundred sixty-five (365) days of the Delivery Term, the Daily Quantity can be reduced by up to fifty percent (50%) based on the actual amount of RECs Delivered in such three hundred sixty-five (365) day period. (See Exhibit F for an example for the calculation of the Daily Quantity and the Delivery Year Requirement applicable in the first three hundred sixty-five (365) days of the Delivery Term).

(f) In the event that Seller fails to Deliver the Delivery Year Requirement for a Delivery Year under the terms of this Agreement (such Delivery Year a "Shortfall Year" and such amount of RECs that Seller fails to Deliver to satisfy the Delivery Year Requirement for a Delivery Year, the "Shortfall Amount"), Seller represents that no RECs from the Project issued by PJM EIS GATS or M-RETS in that same Delivery Year were willfully withheld or sold or otherwise transferred to another party (other than to **[delete as applicable: Ameren Illinois Company and/or] [Commonwealth Edison Company and/or] [MidAmerican Energy Company]** in connection with an IPA approved agreement), provided however that Seller shall not be deemed to have willfully withheld or sold or otherwise transferred RECs to another

² For example, a Suspension Period of between 1 and 30 days shall extend the Acceptable Vintage Period by a calendar month, a Suspension Period of 31-60 days shall extend the Acceptable Vintage Period by two calendar months, and a Suspension Period of 61-90 days shall extend the Acceptable Vintage Period by three calendar months, and so on and so forth.

party if Seller's performance is prevented by an action of Buyer that constitutes an Event of Default. For avoidance of doubt, RECs Delivered to meet a Delivery Year Requirement are accounted based on the Vintage of the RECs and not when the RECs are Delivered. For example, only RECs associated with the Vintages of June 2025 through May 2026 can be used to meet the Delivery Year Requirement for the Delivery Year beginning June 1, 2025 through May 31, 2026.

(g) As specified in Section 9.2(j), an Event of Default shall be deemed to occur if either (i) three (3) or more Shortfall Years occurred and the cumulative sum of the Shortfall Amounts for all Shortfall Years equals or exceeds the Annual Quantity, or (ii) Seller breaches its representation under Section 4.1(f). Upon the occurrence of such Event of Default, Buyer shall terminate this Agreement five (5) Business Days after written notice by Buyer to Seller unless Seller demonstrates, within such five (5) Business Day period and to the satisfaction of Buyer in its sole discretion that such event has not occurred. For such Event of Default, Buyer shall be entitled to payment by Seller in the amount of the Collateral Requirement. The Parties acknowledge that (A) Buyer shall be damaged by the failure of Seller to comply with the provisions set forth in (i) and/or (ii) of this Section 4.1(g), (B) it would be impracticable or extremely difficult to determine the actual damages resulting therefrom, (C) the remedies specified herein are fair and reasonable and do not constitute a penalty and, (D) the remedy specified in this Section 4.1(g) shall be Buyer's sole and exclusive remedy in such Event of Default and, for the avoidance of doubt, neither Buyer nor Seller shall be entitled to any Termination Payment calculated pursuant to Section 9.4 under such circumstance.

(h) All RECs Delivered by Seller under this Agreement must allow Buyer to meet its obligations under the Applicable Program for the Delivery Year for which such RECs were Delivered.

(i) Any RECs generated by the Project in excess of the Delivery Year Requirement for any Delivery Year ("Excess RECs") shall remain the exclusive property of Seller, to be utilized in Seller's sole discretion. For avoidance of doubt, such Excess RECs cannot be applied to any subsequent Delivery Year to satisfy such subsequent Delivery Year Requirement and are not be eligible for payment by Buyer under any circumstance. In the event that Excess RECs are Delivered to Buyer, Buyer shall use commercially reasonable efforts to reject such Excess RECs.

ARTICLE 5: PAYMENT AND INVOICING

5.1 Invoicing.

For each Delivery Month, Seller will render to Buyer an invoice for RECs by electronic mail on or before the tenth (10th) day of the month immediately following each Delivery Month³. For avoidance of doubt, Seller shall invoice Buyer regardless of whether the REC Monthly Price is positive or negative. Notwithstanding, and subject to the foregoing, Seller may request that Buyer issue an invoice to Seller if the REC Monthly Price is positive for documentary purposes. If in a Delivery Month, RECs that are Delivered are from different Vintages, then Seller shall render to Buyer one invoice for each Vintage. Each invoice shall specify:

- (a) the Delivery Month in which the REC Deliveries were made;
- (b) the applicable REC Monthly Price;
- (c) the Vintage of the RECs Delivered;

³ For example, with respect to RECs with a Vintage of June 2022, IPA shall issue the Price Calculation Notice containing the REC Monthly Price for such RECs no later than July 20, 2022. RECs with a Vintage of June 2022 are expected to be Delivered by the last Business Day of July 2022 via PJM EIS GATS or M-RETS and Seller shall issue its invoice to Buyer no later than August 10, 2022.

- (d) the quantity of RECs Delivered of the Vintage applicable to the REC Monthly Price;
- (e) the invoice amount to be paid for RECs, which shall equal the multiplicative product of the REC Monthly Price and the quantity of RECs Delivered associated with the REC Monthly Price; and
- (f) the Tracking System unit ID for the Project.

Buyer shall not be obligated to pay any invoice that is delivered more than six (6) months after the end of the Term of this Agreement.

5.2 Payment.

All invoices under this Agreement shall be due and payable on the last Business Day of the month in which the invoice is rendered or the last Business Day of the following month if the invoice is rendered late and cannot be processed by the last Business Day of the month in which the invoice is rendered. Payment is as follows:

(a) The REC Monthly Price shall be the price indicated as such in the Price Calculation Notice issued by the IPA to Buyer and Seller for the applicable Vintage month. The REC Monthly Price may be either positive or negative. Payment shall be made from Seller to Buyer if the REC Monthly Price is positive and payment shall be made from Buyer to Seller if the REC Monthly Price is negative. In instances in which a Party disputes the REC Monthly Price calculated by the IPA, the Party has from the time the IPA issues the Price Calculation Notice to Buyer and Seller until the end of that month to request review of the pricing calculations.

(b) Payment shall be made only for RECs that have been Delivered by Seller to Buyer of Vintages that are in the Acceptable Vintage Period.

(c) The Parties will discharge mutual debts and payment obligations due and owing to each other through netting, in which case all amounts owed by each Party to the other Party under this Agreement, including any interest, and payments or credits, will be netted so that only the excess amount remaining due shall be paid by the Party who owes it.

(d) With respect to all payments due hereunder, the Party owing payments shall make payments by electronic funds transfer, or by other mutually agreed methods, to the account designated in Exhibit B or other such account as may be updated by written notice from Seller to Buyer or from Buyer to Seller, as applicable.

(e) In no event shall payment be processed for a quantity of RECs that will (a) cumulatively cause the quantity of RECs associated with the Vintage months of a Delivery Year to exceed the Delivery Year Requirement for such Delivery Year, plus interest on late payments as required herein; or (b) cumulatively cause the quantity of RECs associated with Vintages in the Acceptable Vintage Period to exceed the Maximum Contract Quantity, plus interest on late payments as required herein.

5.3 Disputes on Invoices.

Notwithstanding the provisions in Section 5.2(a), each Party may, in good faith, dispute the correctness of any invoice issued by the other Party under this Article 5 within six (6) months after receipt of such invoice. Any such dispute must be in writing and state the basis for the dispute, which must be made in good faith. Subject to Section 9.5, a Party may withhold payment of the disputed amount until two (2) Business Days

following the resolution of the dispute, and any amounts not paid when originally due and subsequently determined to be due and payable shall bear interest at the Default Rate from the due date as originally invoiced.

Any undisputed amounts not paid by the applicable due date are delinquent and will accrue interest at the Default Rate. Inadvertent overpayments will be returned upon request or credited by the Party receiving such overpayment against amounts subsequently due from the other Party. Any dispute with respect to an invoice is waived unless the disputing Party notifies the other Party in accordance with this Section 5.3 within six (6) months after the invoice is rendered. If final resolution of the dispute is not completed within sixty (60) days after notification of the dispute, the Parties shall be free to pursue any available legal or equitable remedy.

Except as provided in this Section 5.3, in no event will Buyer be liable whatsoever to Seller for any payments of invoices issued more than six (6) months after the end of the Term of this Agreement.

5.4 Cost Recovery through Pass-Through Tariffs.

Nothing in this Agreement shall require Buyer to advance any payment or pay any amounts that exceed the actual amount of revenues anticipated to be collected by Buyer under paragraph (6) of subsection (c) of Section 1-75 of the IPA Act (20 ILCS 3855) and subsection (k) of Section 16-108 of the Public Utilities Act (220 ILCS 5) inclusive of eligible funds collected in prior years and alternative compliance payments for use by Buyer (the "Available Funds"). Buyer's payments for RECs in a given Delivery Year therefore shall not cause the sum of the cumulative payments to Seller and all other sellers under contracts executed pursuant to 20 ILCS 3855/1-75(c)(1), as well as all other applicable fees, charges, and administrative costs related to the purchase of RECs under 20 ILCS 3855/1-75(c)(1), to exceed the Available Funds for such Delivery Year as calculated under 20 ILCS 3855/1-75(c)(1)(E). For the purposes of this Agreement, the Available Funds under Section 1-75(c)(1)(E)'s rate impact limitations shall be calculated inclusive of any utility-held Alternative Compliance Payments authorized for procuring RECs by order of the Illinois Commerce Commission or any unspent revenues collected by the utility under paragraph (6) of subsection (c) of Section 1-75 of the IPA Act (20 ILCS 3855) and subsection (k) of Section 16-108 of the Public Utilities Act (220 ILCS 5) that the utility is permitted to carry over across Delivery Years. For the avoidance of doubt, payment obligations for contracts executed pursuant to 20 ILCS 3855/1-75(c)(1) and associated expenses within a given Delivery Year exceeding the actual balance of collections made to date under Section 16-108(k) within that Delivery Year would not provide a valid basis for non-payment by Buyer, unless Buyer's compliance with such payment obligations would cause Buyer's cumulative payments for RECs associated with a given Delivery Year to exceed the amount of the Available Funds for that Delivery Year.

Buyer is allowed to recover all costs and other amounts incurred under the Agreement from its customers pursuant to a pass-through tariff that is authorized by Section 16-111.5(l) of the Illinois Public Utilities Act (220 ILCS 5/16-111.5(l)) and approved by the ICC. If, for whatever reason, Buyer is not allowed to or cannot recover such costs from its customers through its pass-through tariffs for the payment of RECs Delivered for a Delivery Year, then, Buyer shall provide written notice to Seller of such occurrence and notwithstanding anything to the contrary in the Agreement, Buyer shall not be required to advance payment to Seller for RECs Delivered for the remainder of the Delivery Year and Buyer shall return to Seller within ninety (90) days of the conclusion of such Delivery Year any unpaid RECs that are associated with a Vintage within such Delivery Year. Notwithstanding the preceding, to the extent that the Illinois Commerce Commission has ordered Buyer defer (or offer to defer) certain payments, Buyer shall not return RECs except under the conditions directed by the Illinois Commerce Commission or upon Seller's request. Any RECs that are returned to Seller pursuant to the foregoing shall be the exclusive property of Seller, to be utilized in Seller's sole discretion. For avoidance of doubt, the foregoing does not excuse Seller's obligation to pay Buyer and to

Deliver RECs to Buyer if payment is due Buyer. Any payment for a Delivery Year due Buyer may be netted against unpaid RECs for such Delivery Year for which RECs have not been returned to Seller.

5.5 Taxes and Fees.

Seller will be responsible for any taxes imposed on the creation, ownership, or transfer of Product under this Agreement up to and including the time and place of its Delivery. Buyer will be responsible for any taxes imposed on the receipt or ownership of Product at or after the time and place of its Delivery. Each Party will be responsible for the payment of any fees incurred by it in connection with this Transaction hereunder.

ARTICLE 6: REPORTING REQUIREMENTS

6.1 Monthly Generation Report

Seller shall, on a monthly basis, provide to Buyer and the IPA (i) hourly MWh generation data applicable to the Project and (ii) hourly real time locational marginal prices at the applicable hub indicated in the Product Order (either PJM-NIHUB or MISO-IL) for each calendar month of the Acceptable Vintage Period within five (5) Business Days after the conclusion of such Vintage month. This information provided shall be rounded to the sixth (6th) decimal place and shall be provided in Microsoft Excel format. The information provided will be considered final and will not be subject to reconciliation once it is verified for use for calculating the REC Monthly Price by the IPA. For purposes of verification, Buyer and the IPA shall be granted read-only access of information for the Project by Seller within PJM Power Meter system or MISO Market Portal as applicable; such data shall be treated and maintained as confidential and proprietary by the IPA and Buyer.

6.2 Prevailing Wage Act Requirements

This section applies to Projects that are subject to the requirements of the Prevailing Wage Act as indicated in the Product Order.

Seller, including its contractors and subcontractors, rendering services under this Agreement must comply with the requirements of the Prevailing Wage Act, including but not limited to, all wage requirements and notice and record keeping duties. The Prevailing Wage Act requires Seller, including its contractors and subcontractors, to pay laborers, mechanics and other workers employed in construction activities related to the Project an amount equal to or greater than the current “general prevailing rate of hourly wages”, as defined in Section 3 of the Prevailing Wage Act. The Parties acknowledge that the IPA has provided to the Parties the Illinois Department of Labor’s website address (<http://labor.illinois.gov/>) as a source of information for the general prevailing rate of hourly wages. The Illinois Department of Labor regularly revises the general prevailing rate of hourly wages available on its website.

Seller shall provide to the IPA documentation and verification demonstrating that all construction work performed by Seller, including its contractors and subcontractors, relating to construction, maintenance, repair, assembly, or disassembly work in relation to the Project has been performed by employees who received an amount equal to or greater than the “general prevailing rate of hourly wages,” as defined in Section 3 of the Prevailing Wage Act. Such documentation and verification may include, but is not limited to, the certified transcripts of payroll required to be filed with the Illinois Department of Labor.

Such documentation and verification must be provided to the IPA within the later of: five (5) Business Days of the Effective Date of this Agreement or within five (5) Business Days of the Date of First

Operations of the Project. Seller is responsible and shall provide such documentation and verification throughout the Term of this Agreement to the IPA for any applicable work performed in a Delivery Year subsequent to Seller's initial submission of documentation and verification, which shall be provided no later than July 15 following the end of such Delivery Year. Seller's failure to provide such documentation or verification in a timely manner shall be deemed non-compliant with Section 2.2(f) and subject to the provisions in Section 2.2 for such non-compliance.

6.3 Project Labor Agreements Requirements

This section applies to Projects that are subject to the requirements of the Project Labor Agreements Act as indicated in the Product Order.

As required by Section 1-75(c)(1)(Q)(2) of the IPA Act, the Project is built by General Contractors that have entered into a Project Labor Agreement prior to construction. That Project Labor Agreement shall be filed with the Director of the IPA, who shall determine whether the Project Labor Agreement meets the requirements of the IPA Act and the Project Labor Agreements Act.

The Project Labor Agreement shall provide the names, addresses, and occupations of the owner of the plant and the individuals representing the labor organization employees participating in the Project Labor Agreement consistent with the Project Labor Agreements Act.

Unless instructed by the IPA otherwise, each Project Labor Agreement and any amendments thereto shall be filed with the Director of the IPA via email at the email address provided in Exhibit B within the later of: (a) thirty (30) days of the execution of such Project Labor Agreement or amendment; or (b) thirty (30) days of the execution of this Agreement. Seller shall work constructively with the IPA to file such Project Labor Agreements in accordance with procedures established by the IPA. It is the sole responsibility of Seller to understand the Project Labor Agreements requirement under Section 1-75(c)(1)(Q)(2) of the IPA Act and the Project Labor Agreements Act and to ensure the compliance thereof. For avoidance of doubt, compliance with the requirements of the Project Labor Agreements Act shall be the sole responsibility of Seller and not Buyer or the IPA; and Seller shall hold Buyer and the IPA harmless of any non-compliance thereof.

ARTICLE 7: CREDIT AND COLLATERAL REQUIREMENTS; PERFORMANCE ASSURANCE

7.1 Performance Assurance.

Seller's Performance Assurance. Performance Assurance requirement is applicable with respect to Seller, but not with respect to Buyer.

For purposes of this Agreement, the Increased Collateral Requirement is applicable if the Delivery of one (1) REC has not occurred and the deadline for the Delivery of one (1) REC has been extended pursuant to 4.1(c).

If at any time Seller's (or Seller's Guarantor's, if applicable) Collateral Threshold is lower than the Collateral Requirement (or Increased Collateral Requirement, if applicable), then Seller, upon request from Buyer, shall be required, within five (5) Business Days of notice from Buyer, to post "Seller's Performance Assurance" through either the: (i) posting of a Letter of Credit; or (ii) posting of cash collateral with Buyer. "Collateral Threshold" means, with respect to Seller or Seller's Guarantor, if applicable, the amount determined in accordance with Table A below. The amount of such Seller's Performance Assurance shall be equal to the positive difference, if any, between: (a) the Collateral Requirement (or Increased Collateral Requirement, if applicable); and (b) the Collateral Threshold, rounded up to the nearest \$10,000, as estimated

by Buyer (“Performance Assurance Amount”). In the event that Seller fails to provide such Seller’s Performance Assurance within five (5) Business Days of notice from Buyer, then an Event of Default shall be deemed to have occurred pursuant to Section 9.2(d) and Buyer shall be entitled to the remedies set forth under Section 9.3, as the Non-Defaulting Party.

If Seller is relying on its own creditworthiness and Seller is a party to one or more additional REC purchase agreements with Buyer pursuant to the conduct of the procurements pursuant to Section 1-75(c) of the IPA Act, then Seller will be granted a single Collateral Threshold to be applied to all such REC purchase agreements.

If Seller is relying on a Guarantor and Seller’s Guarantor has provided a Guaranty, the Collateral Threshold shall be the lesser of the Collateral Threshold as determined by (i) the table below or (ii) the amount of such Guaranty; provided, that Seller’s Guarantor will be granted a single Collateral Threshold to be applied to all REC purchase agreements entered into with Buyer pursuant to the conduct of the procurements pursuant to Section 1-75(c) of the IPA Act for which it guarantees payment obligations on behalf of one or more parties to such REC purchase agreements.

TABLE A			
Credit Rating			Collateral Threshold
S&P	Moody's	Fitch	
BBB- or above	Baa3 or above	BBB- or above	\$2,500,000
Below BBB-	Below Baa3	Below BBB-	\$0

7.2 Guaranty.

If Seller is relying on a Guarantor for purposes of its Collateral Threshold in accordance with Section 7.1, then Seller will provide, concurrently with the execution and delivery of the Agreement, a Guaranty.

ARTICLE 8: REPRESENTATIONS AND WARRANTIES

8.1 Mutual Representations and Warranties.

On the Trade Date, each Party represents and warrants to the other that:

- (a) it is duly organized and validly existing under the laws of the jurisdiction of its incorporation or organization;
- (b) it has the power and authority to enter into this Agreement and to perform its obligations hereunder;
- (c) its execution and performance do not violate or conflict with applicable law, any provision of its constituent documents, or any contract binding on or affecting it or any of its assets or any order or judgment of any Governmental Authority applicable to it or its assets;
- (d) all governmental and other authorizations, approvals, consents, notices and filings that are required to have been obtained or submitted by it with respect to entering into this Agreement have been obtained or submitted and are in full force and effect and all conditions thereof have been complied with;
- (e) its obligations hereunder are legal, valid and binding, enforceable in accordance with their respective terms, subject to applicable bankruptcy or similar laws affecting creditors’ rights generally

and subject, as to enforceability, to equitable principles of general application regardless of whether enforcement is sought in a proceeding in equity or at law;

(f) no Event of Default, or Potential Event of Default, has occurred and is continuing, and none will occur as a result of its entering into or performing this Agreement;

(g) it is not relying upon any representations of the other Party other than those expressly set forth herein, and it is acting for its own account, and not as agent or in any other capacity, fiduciary or otherwise;

(h) it has entered hereinto with a full understanding of the material terms and risks of the same, and it is capable of assuming those risks;

(i) it is not relying on any communication (written or oral) of the other Party as investment advice or as a recommendation to enter into a Transaction, and understands that information and explanations related to the terms and conditions of any Transaction will not be considered investment advice or a recommendation to enter into that Transaction;

(j) it has made its own independent trading and investment decisions to enter into each Transaction and as to whether such Transaction is appropriate or proper for it based upon its own judgment and any advice from such advisors as it has deemed necessary and not in reliance upon any view expressed by the other Party;

(k) it has not received from the other Party any assurance, guarantee or promise as to the expected or projected success, profitability, return, performance, result, effect, consequence or benefit (either economic, legal, regulatory, tax, financial, accounting or otherwise) hereunder;

(l) to its knowledge there is no pending or threatened litigation, arbitration or administrative proceeding before any Governmental Authority or any arbitrator that is likely to materially adversely affect the ability of either Party to perform its obligations hereunder;

(m) it is a “forward contract merchant” within the meaning of United States Bankruptcy Code §101(26), and this Agreement and all Transactions hereunder constitute “forward contracts” within the meaning of United States Bankruptcy Code §101(25);

(n) it is an “eligible commercial entity”, and an “eligible contract participant” within the meaning of United States Commodity Exchange Act §§1a(17) and 1a(18), respectively, and all Transactions hereunder have been subject to individual negotiation by the Parties; and

(o) all applicable information, documents or statements that have been furnished in writing by or on behalf of it to the other Party in connection with this Agreement are true, accurate and complete in every material respect and do not omit a material fact that would otherwise make the information, document or statement misleading.

8.2 Additional Warranties of Seller.

(a) Upon the Date of First Operations of the Project, Seller represents and warrants to Buyer on each Delivery Date through the expiry of the Delivery Term that all governmental and other authorizations, approvals, consents, notices and filings that are required to have been obtained or submitted by it with respect to performing this Agreement have been obtained or submitted and are in full force and effect and all conditions thereof have been complied with.

(b) Upon each Delivery, Seller represents and warrants to Buyer as follows:

- (i) at the time of Delivery, Seller has the right to convey title to any and all of the RECs Delivered to Buyer in accordance with this Agreement free and clear of any and all liens or other encumbrances or title defects;
- (ii) Seller has sold and transferred the RECs once and only once exclusively to Buyer; the RECs and any other Environmental Attributes sold hereunder have not expired and have not been, nor will be retired, claimed or represented as part of electricity output or sale, or used to satisfy any renewable energy or other carbon or renewable generation attributes obligations under Illinois law or in any other jurisdiction; and that it has made no representation, in writing or otherwise, that any third-party has received, or has obtained any right to, such RECs that are inconsistent with the rights being acquired by Buyer hereunder;
- (iii) no RECs from the Project issued by PJM EIS GATS or M-RETS were willfully withheld or sold or otherwise transferred to another party pursuant to Section 4.1(f); and
- (iv) the Product is Regulatorily Continuing and complies with the Applicable Program.

8.3 Limitation of Warranties.

All other representations or warranties, written or oral, express or implied, including any representation or warranty of merchantability or of fitness for any particular purpose or with respect to conformity with any model or samples, are disclaimed. Without limiting the generality of the foregoing, except with respect to the Product stated to be Regulatorily Continuing, and in that case only to the extent set forth herein, neither Party makes any representation or warranty hereunder with respect to any future action or failure to act or approval or failure to approve by any Governmental Authority.

ARTICLE 9: EVENTS OF DEFAULT; REMEDIES

9.1 Events of Default in Respect of Buyer

An “Event of Default” means, with respect to Buyer (as the “Defaulting Party”), the occurrence of any of the following:

- (a) any representation or warranty made by Buyer that is false or misleading in any material respect when made or repeatedly made unless Buyer as the Potentially Defaulting Party demonstrates, within a fifteen (15) Business Day period from the time of notice by Seller as the Potentially Non-Defaulting Party, that such Potential Event of Default has not occurred or that has occurred and is deemed to be remedied;
- (b) the failure of Buyer to make, when due, any payment required pursuant hereto if such failure is not remedied within three (3) Business Days after written notice; and
- (c) such Party becomes Bankrupt.

9.2 Events of Default in Respect of Seller

An “Event of Default” means, with respect to Seller (as the “Defaulting Party”), the occurrence of any of the following:

- (a) any representation or warranty made by Seller that is not associated with the Project that is false or misleading in any material respect when made or repeatedly made unless Seller as the Potentially

Defaulting Party demonstrates, within a fifteen (15) Business Day period from the time of notice by and to the satisfaction of Buyer as the Potentially Non-Defaulting Party in its sole discretion, that such Potential Event of Default has not occurred or that has occurred and is deemed to be remedied;

(b) the failure of Seller to make, when due, any payment required pursuant hereto if such failure is not remedied within three (3) Business Days after written notice;

(c) such Party becomes Bankrupt;

(d) the failure of such Party to satisfy the creditworthiness and collateral requirements agreed to pursuant to Article 7 or the failure of the issuer of the Letter of Credit to maintain during the Term the credit rating required under the Letter of Credit as of the Date of Issuance (as that term is used in the Letter of Credit) provided that Seller does not post alternative Seller's Performance Assurance in an amount equal to the required Performance Assurance Amount within five (5) Business Days of notice from Buyer;

(e) Seller's failure to perform any other material covenant or obligation set forth herein if such failure is not remedied within twenty (20) Business Days after written notice;

(f) with respect to Seller's Guarantor, if any, the occurrence of any of the following (provided that Seller does not post Seller's Performance Assurance in an amount equal to the Performance Assurance Amount within five (5) Business Days):

(i) if any representation or warranty made by a Guarantor in connection with this Agreement is false or misleading in any material respect when made or when deemed made or repeated;

(ii) the failure of a Guarantor to make any payment required or to perform any other material covenant or obligation in any guaranty made in connection with this Agreement and such failure is not remedied within three Business Days after written notice;

(iii) a Guarantor becomes Bankrupt;

(iv) the failure of a Guarantor's guaranty to be in full force and effect for purposes hereof (other than in accordance with its terms) prior to the satisfaction of all obligations of such Party under each Transaction to which such guaranty relates without the written consent of the other Party; or

(v) a Guarantor repudiates, disaffirms, disclaims, or rejects or challenges, in whole or in part, the validity of any guaranty.

(g) failure of Seller to Deliver at least one (1) REC from the Project by the deadline or extended deadline, as applicable pursuant to Section 4.1(c), in which case Buyer shall terminate the Agreement five (5) Business Days after written notice by Buyer to Seller unless Seller demonstrates, within such five (5) Business Day period and to the satisfaction of Buyer in its sole discretion, that such Event of Default has not occurred. For such Event of Default, Buyer shall be, as Buyer's sole and exclusive remedy, entitled to payment by Seller in the amount of the Collateral Requirement (or Increased Collateral Requirement, if applicable);

(h) Seller's Project is or becomes a generating unit whose costs were being recovered through rates regulated by Illinois or any other state or states, in which case, Buyer shall terminate the Agreement five (5) Business Days after written notice by Buyer to Seller unless Seller demonstrates, within such five (5) Business Day period and to the satisfaction of Buyer in its sole discretion, that such Event of Default has not occurred. For such Event of Default, Buyer shall be, as Buyer's sole and exclusive remedy, entitled to payment by Seller in the amount of the sum of: (i) the Collateral Requirement (or Increased Collateral

Requirement, if applicable) and (ii) 110% of the total payments Seller has received from Buyer under this Agreement;

(i) Seller's Project fails to comply with the requirements set forth in Sections 2.2(b), 2.2(c), 2.2(d), 2.2(e), 2.2(f), 2.2(g), or 2.2(h), in which case, Buyer shall terminate the Agreement five (5) Business Days after written notice by Buyer to Seller unless Seller demonstrates, within such five (5) Business Day period and to the satisfaction of Buyer in its sole discretion, that such Event of Default has not occurred. For such Event of Default, Buyer shall be, as Buyer's sole and exclusive remedy, entitled to payment by Seller in the amount of the sum of: (i) the Collateral Requirement (or Increased Collateral Requirement, if applicable) and (ii) 100% of the total payments Seller has received from Buyer under this Agreement; and

(j) breach by Seller of its representations under Section 8.2(b)(iii) or the occurrence of three (3) or more Shortfall Years and the cumulative sum of the Shortfall Amounts for all Shortfall Years equals or exceeds the Annual Quantity, in which case, Buyer shall terminate the Agreement five (5) Business Days after written notice by Buyer to Seller unless Seller demonstrates, within such five (5) Business Day period and to the satisfaction of Buyer in its sole discretion, that such Event of Default has not occurred. For such Event of Default, Buyer shall be entitled to payment by Seller in the amount of the Collateral Requirement as Buyer's sole and exclusive remedy.

9.3 Declaration of Early Termination Date

Except as otherwise set forth in this Agreement, if an Event of Default with respect to a Defaulting Party occurs and is continuing, the other Party (the "Non-Defaulting Party") will have the right to (i) designate a day, no earlier than the day such notice is effective and no later than twenty (20) days after such notice is effective, as an early termination date ("Early Termination Date") to liquidate and terminate this Agreement, (ii) withhold any payments due to the Defaulting Party under this Agreement and (iii) suspend performance. The Non-Defaulting Party will calculate, in a commercially reasonable manner, a Settlement Amount as of the Early Termination Date (or, to the extent that in the reasonable opinion of the Non-Defaulting Party such Terminated Transaction is commercially impracticable to liquidate and terminate or may not be liquidated and terminated under applicable law by the Early Termination Date, as soon thereafter as is reasonably practicable). The calculation of the Settlement Amount indicated in this Section 9.3 shall not apply to an Event of Default described in Sections 9.2(g), 9.2(h), 9.2(i) or 9.2(j). Notwithstanding anything in this Section 9.3 to the contrary, in the event of an Early Termination Date prior to the Delivery of one (1) REC from the Project due to a Seller's Event of Default, Seller shall pay to Buyer a Settlement Amount in an amount equal to the Collateral Requirement (or Increased Collateral Requirement, if applicable).

9.4 Calculation of Settlement Amount.

Except as otherwise set forth in this Agreement, the Non-Defaulting Party will calculate a Settlement Amount as a single amount by netting out (a) all amounts that are due to the Defaulting Party for Product that has been Delivered and not yet paid for, plus, at the option of the Non-Defaulting Party, any cash, security or other Performance Assurance then available to the Non-Defaulting Party, plus any or all other amounts due to the Defaulting Party under this Agreement against (b) all Settlement Amounts that are due to the Non-Defaulting Party, plus any or all other amounts due to the Non-Defaulting Party under this Agreement, so that all such amounts will be netted out to a single liquidated amount (the "Termination Payment"). If the Termination Payment is a positive amount, the Defaulting Party shall pay the Termination Payment to the Non-Defaulting Party. If the Termination Payment is a negative amount, there shall not be a Termination Payment and the Non-Defaulting Party shall not owe any amount to the Defaulting Party. The Termination Payment, if any, is due to the Non-Defaulting Party within two (2) Business Days following notice.

For avoidance of doubt, the Non-Defaulting Party shall not owe any amount as Termination Payment to the Defaulting Party and payment of the Termination Payment shall only be from the Defaulting Party to the Non-Defaulting Party.

9.5 Calculation Disputes.

If the Defaulting Party disputes the Non-Defaulting Party's calculation of the Settlement Amount or Termination Payment, in whole or in part, the Defaulting Party will, within two (2) Business Days of receipt of Non-Defaulting Party's calculation, provide to the Non-Defaulting Party a detailed written explanation of the basis for such dispute; provided, however, that the Defaulting Party must first transfer to the Non-Defaulting Party in an amount equal to the full Termination Payment. References to Defaulting Party and Non-Defaulting Party in this Section include the Potentially Defaulting Party and Potentially Non-Defaulting Party, as applicable.

9.6 Suspension of Performance.

Notwithstanding any other provision hereof, if an Event of Default or a Potential Event of Default has occurred and is continuing, the Non-Defaulting Party, upon written notice to the Defaulting Party, has the right (a) to suspend performance under this Agreement and (b) to the extent an Event of Default has occurred and is continuing, to exercise any remedy available at law or in equity, except as limited by Section 14.1.

9.7 Not a Penalty.

The Parties acknowledge that (a) the Non-Defaulting Party shall be damaged by the Defaulting Party, (b) it would be impracticable or extremely difficult to determine the actual damages resulting therefrom, (c) the remedies specified herein are fair and reasonable and do not constitute a penalty and (d) the remedies specified in Section 9.4 shall be the Non-Defaulting Party's sole and exclusive remedy in the Event of Default.

ARTICLE 10: FORCE MAJEURE

10.1 Force Majeure.

If either Party is rendered unable, wholly or in part, by Force Majeure to carry out its obligations with respect to this Agreement, that upon such Party's (the "Claiming Party") giving notice and full particulars of such Force Majeure as soon as reasonably possible after the occurrence of the cause relied upon, confirmed in writing, then the obligations of the Claiming Party will, to the extent it is affected by such Force Majeure, be suspended during the continuance of said inability, but for no longer a period than the continuance of said inability, and the Claiming Party will not be in breach hereof or liable to the other Party for, or on account of, any loss, damage, injury or expense resulting from, or arising out of such event of Force Majeure during such Suspension Period. The Party receiving such notice of Force Majeure will have until the end of the tenth (10th) Business Day following such receipt to notify the Claiming Party that it objects to or disputes the existence of Force Majeure. If Seller is the Claiming Party, then such notification must be made to both Buyer and the IPA, and a determination of whether to object to or dispute the existence of Force Majeure may be made by Buyer. Any determination to object to or dispute the existence of Force Majeure by Buyer shall be subject to the concurrence of the IPA (who, upon receipt, shall promptly confer to consider the Force Majeure notice).

"Force Majeure" means an event or circumstance which materially adversely affects the ability of a Party to perform its obligations under this Agreement, which event or circumstance was not reasonably anticipated as of the date such Transaction was entered into and which is not within the reasonable control of, or the result of the negligence of, the Claiming Party, and which the Claiming Party is unable to overcome or avoid or cause to be avoided, by the exercise of due diligence. Force Majeure includes acts of God (such as tornadoes, fires, earthquakes and floods), pandemics as declared by the WHO, explosions, war, hostilities, riots and acts or threats of terrorism (any such event, an "External Event") that disrupt the development or

operation of the Project. Force Majeure may include delays associated with processing of permit requests or addressing regulatory requirements or delays in the establishment by the Project of an operating interconnection with the applicable transmission or distribution system as a result of the actions or inactions of the transmission or distribution provider, provided Seller can demonstrate to Buyer and the IPA that such delays are not primarily attributable to Seller's failure to make in a timely manner permitting requests or a formal request for interconnection to such transmission or distribution provider or to provide in a timely manner the information or payment required by such transmission or distribution provider. Force Majeure may also include the failure of timely issuance or disruption in Deliveries of RECs by PJM EIS GATS or M-RETS. In the case of a Party's obligation to make payments hereunder, Force Majeure will only be an event or act of a Governmental Authority that on any day disables the banking system through which a Party makes such payments. Force Majeure may include curtailments of the Project for reliability purposes made by the Regional Transmission Organization responsible for the operation of the transmission system to which the Project is interconnected, provided that Seller can demonstrate to Buyer and the IPA that such curtailment: (a) is for reliability purposes and not for economic purposes, (b) occurs after the first five (5) Delivery Years of the Delivery Term, and (c) the amount of such curtailment prevents the Delivery of more than five percent (5%) of the Annual Quantity in a Delivery Year. Upon such Force Majeure event, the Shortfall Amount in a Delivery Year may be excused by the amount of such curtailment that exceeds five percent (5%) of the Annual Quantity. Seller shall provide written notice to Buyer within thirty (30) days of the commencement of any curtailment that meets the foregoing requirements and, in the event that Seller fails to so notify Buyer, Seller shall not be relieved of its Delivery obligations as a result of such curtailment. Upon the occurrence and proper notice of a curtailment meeting the foregoing requirements, Seller shall estimate the amount of Deliveries prevented by such curtailment based on the most recent twelve (12) months of actual production data from the Project and utilizing actual meteorological conditions during the period of curtailment and shall provide such estimate to Buyer along with all supporting documentation, including any supporting information from the RTO that curtailed the Project's generation.

If Force Majeure adversely affects the ability of Seller to Deliver RECs from the Project, then there shall be a Suspension Period with respect to that Project's obligations to Deliver RECs under this Agreement. During any Suspension Period, either Party's payment obligations under this Agreement shall be suspended. For events other than a suspension, pause, or other stop to the interconnection queue of the applicable RTO (for which there shall be no limit on the Suspension Period), ~~if~~ if the Suspension Period arising from such event lasts for a consecutive period of seven hundred thirty (730) days, then this Agreement shall be terminated and Seller's Performance Assurance shall be returned. If Force Majeure adversely affects the operability of the Project and Seller has determined that the damage to the Project is irreparable, then Seller may provide a written notice to Buyer and the IPA of such determination. Unless such determination is refuted by Buyer within ten (10) Business Days of Buyer's receipt of Seller's written notice, which shall be subject to the concurrence of the IPA, this Agreement shall be terminated and Seller's Performance Assurance shall be returned.

Force Majeure may not be based on: (i) the loss or failure of Buyer's markets; (ii) Buyer's inability economically to use or resell the Product purchased hereunder; (iii) Seller's ability to sell the Product to another at a price greater than the Strike Price; (iv) curtailment for economic purposes only made by the Regional Transmission Organization responsible for the operation of the transmission system to which the Project is interconnected; (v) insufficiency or unavailability of wind to operate the Project or generate sufficient quantities of Product; (vi) the performance or breakdown of equipment not directly caused by an External Event; or (vii) the loss of tax credits, the denial of deductions or the imposition of additional taxes.

ARTICLE 11: GOVERNMENT ACTION

11.1 Government Action.

The Parties acknowledge that the Applicable Program, which among other things establishes the conditions

for a market for certain Products, may be the subject of Government Action (including court challenge) that could adversely affect the eligibility of a Product to meet the requirements of an Applicable Program or otherwise alter the requirements of the Applicable Program, or make a Product unavailable or dramatically diminished or increased in value. With respect to the Transaction, Seller represents that the Product complies with the Applicable Program and such representation is made and effective as of each Delivery Date, and regardless of any Government Action occurring after the Trade Date, Seller must Deliver Product that complies with the Applicable Program as of each Delivery Date. Government Action that changes in any respect the value of a Product (without rendering the Product out of compliance with the Applicable Program if Regulatorily Continuing), will have no effect on the obligation of the Parties to purchase and sell such Product at the price and on the terms set forth in this Agreement. To the extent that Government Action after the Trade Date (i) renders Delivery illegal under applicable law or (ii) renders the Product ineligible to comply with the Applicable Program in such a manner that no commercially reasonable modification to the Product or action taken by Seller would allow the Product to comply with the Applicable Program, (a) such Transaction will be terminated, (b) Seller's Performance Assurance shall be returned, (c) that portion of whatever has been paid for Products not yet Delivered or for non-conforming Products will be refunded by Seller, to the extent it is lawful to do so, and (d) neither Seller nor Buyer will have any liability to the other after such termination. For purposes of the foregoing, Seller shall be deemed to have used "commercially reasonable" efforts if Seller provides to Buyer evidence of expenditures or estimated expenditures in an amount that exceeds the Commercially Reasonable Threshold; provided, however, such evidence of expenditures or estimated expenditures shall be acceptable to Buyer, in its reasonable discretion. Notwithstanding the foregoing, no Transaction will be affected, cancelled, or otherwise impaired by Government Action that is specific to a Party under applicable law taken by a Governmental Authority alleging that Party's violation thereof.

11.2 Risk Allocation.

The Product is Regulatorily Continuing.

ARTICLE 12: GOVERNING LAW

12.1 Applicable Program.

The Illinois Renewable Portfolio Standard ("RPS"), as established under 20 Ill. Comp. Stat. 3855/1-75 is the Applicable Program for this Agreement.

12.2 Governing Law.

This Agreement is governed by and construed in accordance with the laws of the State of Illinois. To the full extent permitted under applicable law, if the Parties have agreed on the terms of a Transaction, the Parties agree not to contest, or to enter any defense concerning the validity or enforceability of a Transaction on the grounds that the documentation for such Transaction fails to comply with the requirements of a jurisdiction's Statute of Frauds or other applicable law requiring agreements to be written or signed.

ARTICLE 13: ASSIGNMENT

13.1 Assignment.

Neither Party may assign this Agreement or any Transaction without the prior written consent of the other, which consent will not be unreasonably withheld, conditioned or delayed; provided, however, either Party may, without the consent of the other, (i) pledge, encumber or collaterally assign this Agreement or the

accounts, revenues or proceeds hereof in connection with any financing or other financial arrangements (but, in the case of Section 13.1(i) only, without relieving itself from liability hereunder), (ii) transfer or assign this Agreement to an Affiliate of such Party which Affiliate's creditworthiness is equal to or higher than that of such Party on the Effective Date, or (iii) transfer or assign this Agreement to any person or entity succeeding to all or substantially all of the assets whose creditworthiness is equal to or higher than that of such Party on the Effective Date; provided, however, that in the case of an assignment pursuant to Section 13.1(ii) and (iii), any such assignee must, prior to any assignment, agree in writing to be bound by the terms and conditions hereof and the transferring Party must deliver such tax and enforceability assurance as the non-transferring Party may reasonably request and, in the case of an assignment pursuant to Section 13.1(i), the transferring Party must give notice to the other Party within ten (10) days of any such collateral assignment. This Agreement will bind each Party's successors and permitted assigns. Any attempted assignment in violation of this provision will be void *ab initio*.

ARTICLE 14: INDEMNIFICATION AND LIABILITY

14.1 Limitation of Liability.

The express remedies and measures of damages provided herein satisfy the essential purposes hereof. For breach of any provision for which an express remedy or measure of damage is provided, such remedy or measure shall be the sole and exclusive remedy therefor.

If no remedy or measure of damage is expressly provided, the obligor's liability shall be limited to direct actual damages only as the sole and exclusive remedy. Except as specifically set forth herein, no party shall be required to pay or be liable for special, consequential, incidental, punitive, exemplary, or indirect damages, lost profit or business interruption damages, by statute, in tort, contract or otherwise. To the extent any damages required to be paid hereunder are deemed liquidated, the parties acknowledge that the damages are difficult or impossible to determine, or otherwise obtaining an adequate remedy is inconvenient and the damages calculated hereunder constitute a reasonable approximation of the harm or loss.

Notwithstanding any other provisions of this Agreement, in no event shall Seller be liable to Buyer in an amount that exceeds the sum of the Collateral Requirement and one hundred and ten percent (110%) of the total payments Seller has received from Buyer associated with RECs from the Project.

Notwithstanding any other provisions of this Agreement, except for a dispute over payment obligations which shall be capped at the amount Buyer is determined to owe to Seller, in no event shall Buyer be liable to Seller in an amount that exceeds one hundred and ten percent (110%) of the total payments Seller has received from Buyer associated with RECs from the Project.

ARTICLE 15: MISCELLANEOUS

15.1 Notices.

All notices, requests, statements or payments will be made as specified in this Agreement. Notices, unless otherwise specified herein, must be in writing and delivered by electronic means. Notice is effective when transmitted, if transmitted before or during business hours on a Business Day, and otherwise will be effective on the next Business Day. A Party may change its addresses by providing notice of such change in accordance herewith and updating the information in Exhibit B.

15.2 Dispute Resolution.

Disputes under this Agreement will be resolved in accordance with applicable law, or in accordance with the provisions of this Section 15.2.

Waiver of Jury Trial

Waiver of Jury Trial. Each Party knowingly, voluntarily, intentionally and irrevocably waives the right to a trial by jury in respect of any litigation based on this Agreement, or arising out of, under or in connection with this Agreement and any agreement executed or contemplated to be executed in conjunction with this Agreement, or any course of conduct, course of dealing, statements (whether verbal or written) or actions of any Party hereto. This provision is a material inducement to each of the Parties for entering hereinto. Each Party hereby waives any right to consolidate any action, proceeding or counterclaim arising out of or in connection with this Agreement or any other agreement executed or contemplated to be executed in conjunction with this Agreement, or any matter arising hereunder or thereunder, in which a jury trial has not or cannot be waived.

Binding Arbitration

(1) Any dispute or claim arising out of or related hereto or any breach thereof or any need for interpretation related to any dispute arising out of or related hereto will be settled by binding arbitration administered by the American Arbitration Association (the “AAA”) in Illinois, however nothing in this Section prevents either Party from pursuing any cause of action before the Illinois Commerce Commission over which the Illinois Commerce Commission has jurisdiction. Either Party will have the right to commence an arbitration by written notice to the other Party after the expiration of a 30 day negotiation period. The arbitration will be conducted as follows:

(A) There will be one arbitrator who has not previously been employed by either Party, is qualified by education or experience to decide the matters relating to the questions in dispute, and does not have a direct or indirect interest in either Party or a financial interest in the outcome of the arbitration and who is available within the time frames set forth herein. Such arbitrator will either be selected by mutual agreement by the Parties within thirty (30) days after written notice from the Party requesting arbitration, or failing agreement by such time, the arbitrator will be selected within the following fourteen (14) days by the AAA under the AAA Rules.

(B) Such arbitration will be held at a location within the State of Illinois. Absent agreement, the arbitrator shall set the precise location of the arbitration based on where it is most convenient and cost effective to resolve the dispute, and if it is an international matter, with regard to any special considerations raised by the Parties that may therefore be relevant.

(C) The AAA Rules (including the Optional Rules for Emergency Protection Measures) apply to the extent not inconsistent with the rules herein specified. If the dispute is international in scope as defined in the United Nations Commission on International Trade Law Model Law on International Commercial Arbitration, the AAA’s Supplementary Procedures for International Commercial Disputes shall apply.

(D) The hearing will be conducted on a confidential basis and except as required by law, neither the Parties nor the arbitrator may disclose the existence, content or results of any arbitration hereunder without the prior written consent of all the parties.

(E) At the request of a Party, the arbitrator will have the discretion to order an examination of witnesses to the extent the arbitrator deems such additional discovery relevant and appropriate. Depositions will be limited to a maximum of two depositions for each Party, may be held by video conferencing to reduce travel expenses, and each deposition limited to a maximum of three hours. All objections are reserved to the hearing except objections based on privilege and proprietary or confidential information.

(F) The arbitrator will issue a confidential award accompanied by a statement

regarding the reasons for the decision.

(G) The arbitrator and the Parties will make every attempt to resolve the arbitration within 90 days of appointment of the arbitrator. Upon the application of a Party and for good cause shown, the arbitrator may extend this time. Under no circumstances will the arbitration take longer than six months from the appointment of the arbitrator. However, failure to conclude the arbitration within the six month period will not constitute grounds for vacating the award.

(H) Each Party will be responsible for its own filing fees and case service fees in connection with its claim. Other expenses and arbitrator compensation will be borne equally, subject to final apportionment by the arbitrator. Each Party will be responsible for its own expenses and those of its counsel and representatives.

(I) Any offer made or the details of any negotiation regarding the dispute prior to arbitration and the cost to the Parties of their representatives and counsel will not be admissible.

(2) Judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction by the Party in whose favor such award is made.

(3) Regardless of any procedures or rules of the AAA: (i) the arbitrator will have no authority to award punitive damages, or any other form of damages waived by the Parties pursuant to the Agreement, or attorneys' fees; and (ii) the Parties may by written agreement alter any time deadline, locations for meetings, or procedure outlined in this Section or in the AAA Rules, except that the provisions of subsection (1)(G) above will govern with respect to the time frame for the conclusion of the arbitration.

15.3 Waiver of Immunities.

To the extent either Party possesses any immunity on the grounds of sovereignty or other similar grounds, each Party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (a) suit, (b) jurisdiction of any court, (c) relief by way of injunction, order for specific performance or for recovery of property, (d) attachment of its assets (whether before or after judgment) and (e) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any suit, action or proceedings relating hereto in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any suit, action or proceedings relating hereto.

15.4 Confidentiality.

Each Party shall hold in confidence and not release or disclose any document or information furnished by the other Party in connection with this Agreement. For clarity, this means each Party shall not disclose or release information received from the other Party to any third-party (other than the Party's employees, Guarantor, lenders, prospective Guarantors, prospective lenders, prospective purchasers, investors, prospective investors, counsel, accountants or advisors who have to know such information and have agreed to keep such terms confidential) without the disclosing Party's written consent; and further, each Party shall restrict access to such information to as few as possible of its employees. The foregoing shall not apply if: (a) compelled to disclose such document or information by judicial, regulatory or administrative process or other provisions of law; (b) such document or information is generally available to the public; (c) such document or information was available to the receiving Party on a non-confidential basis; or (d) such document or information was available to the receiving Party on a non-confidential basis from a third-party, provided that the receiving Party does not know, and, by reasonable effort, could not know that such third-

party is prohibited from transmitting the document or information to the receiving Party by a contractual, legal or fiduciary obligation.

The Parties are entitled to all remedies available at law or in equity to enforce, or seek relief in connection with, this confidentiality obligation. If a Party is required or requested to disclose any confidential information as provided in (a) above, such Party shall provide the other Party with written notice within five (5) Business Days so that the other Party may seek on its own behalf a protective order or any other appropriate remedy. If such protective order or other remedy is not obtained, the disclosing Party will cooperate with the other Party's counsel to enable such Party to obtain a protective order or other reliable assurance that confidential treatment will be accorded the confidential information. The Parties shall maintain the confidentiality of the terms of the Transaction hereunder in compliance with Section 16-111.5(h) of the Illinois Public Utilities Act (220 ILCS 5/16-111.5(h)). All confidentiality obligations set forth herein shall survive following the expiration or termination of this Agreement, provided, however, that with respect to any confidential information that constitutes a "trade secret" under applicable law, these covenants shall apply for the life of the trade secret.

15.5 Day Conventions.

Unless otherwise specifically provided herein or in a Product Order, (i) "day" means a calendar day and includes Saturdays, Sundays and holidays, and (ii) if a payment falls due on a day that is not a Business Day, the payment will be due on the next Business Day thereafter.

15.6 Indemnity.

Each Party will indemnify, defend and hold harmless the other Party from and against any claims or demands made by others arising from or out of any event, circumstance, act or incident first occurring or existing during the period when control and title to Product is vested in such Party as provided herein, except to the extent arising from the indemnified Party's own gross negligence or willful misconduct. Each Party will indemnify, defend and hold harmless the other Party against any taxes for which such Party is responsible under Section 5.5.

15.7 General.

(a) This Agreement constitutes the entire agreement between the Parties relating to its subject matter. Any prior agreement or negotiation between the Parties with respect to the subject hereof is superseded. Any Product Order or any collateral, credit support or margin agreement or similar arrangement between the Parties will, upon designation by the Parties, be deemed part hereof and incorporated herein by reference, with this Agreement controlling in the event of a contradiction.

(b) This Agreement will be considered for all purposes as prepared through the joint efforts of the Parties and not be construed against one Party or the other as a result of the preparation, substitution, organizational membership, submission or other event of negotiation, drafting or execution hereof.

(c) No amendment or modification hereto or to any written Product Order is enforceable unless in writing and executed by both Parties.

(d) Headings used herein are for convenience and reference purposes only.

(e) Nothing herein constitutes any Party a partner, agent or legal representative of the other Party or creates any fiduciary relationship between them.

(f) The waiver by either Party of a default or a breach by the other Party will not operate or be construed to operate as a waiver of any subsequent default or breach. The making or the acceptance of a payment by either Party with knowledge of the existence of a default or breach will not operate as a

waiver of any default or breach.

(g) Except as provided in a Product Order or pursuant to Section 11.1, if any provision hereof is, for any reason, determined to be invalid, illegal, or unenforceable in any respect, the Parties will negotiate in good faith and agree to such amendments, modifications, or supplements of or to this Agreement or such other appropriate actions that will, to the maximum extent practicable in light of such determination, implement and give effect to the intentions of the Parties as reflected herein, and the other provisions hereof will, as so amended, modified, or supplemented, or otherwise affected by such action, remain in full force and effect.

(h) This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same original instrument. Delivery of an executed counterpart of a signature page to the Agreement by electronic means shall be effective as delivery of a manually executed counterpart of the Agreement. Electronic copies of executed original copies of the Agreement shall be sufficient and admissible evidence of the content and existence of the Agreement to the same extent as the originally executed copy or copies (if executed in counterpart).

(i) Any document generated by the Parties with respect to this Agreement, including this Agreement, may be imaged and stored electronically and introduced as evidence in any proceeding as if original business records. Neither Party will object to the admissibility of such images as evidence in any proceeding on account of having been stored electronically.

(j) Exhibits are provided as samples for convenience of Parties and the actual forms and reports issued under this Agreement may reflect differences that are non-material in nature to facilitate the administration of this Agreement, and if necessary to correct typographical errors, cure inconsistencies in the provisions of this Agreement or clarify the intent of the provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives as of the Effective Date.

Form of Guaranty (Ameren Illinois Company)

THIS GUARANTY (this “Guaranty”), dated as of _____, 20__, is made by _____ (the “Guarantor”), a _____ organized and existing under the laws of _____, in favor of **Ameren Illinois Company d/b/a Ameren Illinois** (the “Guaranteed Party”), a corporation organized and existing under the laws of the State of Illinois.

Terms not defined herein shall have the meanings given to them in the [_____] dated _____, 20__ (as amended, modified or extended from time to time, the “Agreement”), between the Guaranteed Party and _____, a _____ organized and existing under the laws of _____ (the “Counterparty”). This Guaranty is made by Guarantor in consideration for, and as an inducement for the Guaranteed Party to enter into, the Agreement with the Counterparty. Guarantor, subject to the terms and conditions hereof, hereby unconditionally, irrevocably and absolutely guarantees to the Guaranteed Party the full and prompt payment and performance when due, subject to any applicable grace period, of all payment obligations of the Counterparty to the Guaranteed Party arising out of the Agreement. Without limiting the generality of the foregoing, Guarantor further agrees as follows:

1. The Guarantor, as primary obligor and not merely as surety, hereby irrevocably and unconditionally guarantees the full and prompt payment when due (whether by acceleration or otherwise) of any sums due and payable by the Counterparty as a result of an Event of Default under the Agreement (including, without limitation, indemnities, damages, fees and interest thereon, pursuant to the terms of the Agreement). Notwithstanding anything to the contrary herein, the maximum aggregate liability of the Guarantor under this Guaranty shall in no event exceed _____ provided, that Guarantor will be responsible for all reasonable legal fees, costs, and expenses incurred by the Guaranteed Party in enforcing the obligations under this Guaranty apart from such liability cap. All such principal, interest, obligations and liabilities, collectively, are the “Guaranteed Obligations.” This Guaranty is a guarantee of payment and not of collection.

2. The Guarantor hereby waives diligence, acceleration, notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives presentment and all demands whatsoever except as noted herein, notice of protest, notice of dishonor or nonpayment of any such liability, suit or taking of other action by the Guaranteed Party against, and any other notice to, any party liable thereon (including the Guarantor or any other guarantor), filing of claims with a court in the event of the insolvency or bankruptcy of the Counterparty, and any right to require a proceeding first against the Counterparty.

3. The Guaranteed Party may, at any time and from time to time, without notice to or consent of the Guarantor, without incurring responsibility to the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions: (a) take or refrain from taking any and all actions with respect to the Guaranteed Obligations, any document or any person (including the Counterparty) that the Guaranteed Party determines in its sole discretion to be necessary or appropriate; (b) take or refrain from taking any action of any kind in respect of any security for any Guaranteed Obligation(s) or liability of the Counterparty to the Guaranteed Party; or (c) compromise or subordinate any Guaranteed Obligation(s) or liability of the Counterparty to the Guaranteed Party including any security therefor.

4. Subject to the terms and conditions hereof, the obligations of the Guarantor under this Guaranty are absolute, irrevocable and unconditional and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (a) any extension, renewal, settlement, compromise, waiver, consent, discharge or release by the Counterparty concerning any provision of the Agreement in respect of any Guaranteed Obligations of the Counterparty; (b) the rendering of any judgment against the Counterparty or any action to enforce the same; (c) the existence, or extent of, any release, exchange, surrender, nonperfection or invalidity of any direct or indirect security for any of the Guaranteed Obligations; (d) any modification, amendment, waiver, extension of or supplement to any of the Agreement or the Guaranteed Obligations agreed to from time to time by the Counterparty and the Guaranteed Party; (e) any change in the corporate existence (including its constitution, laws, rules, regulations or powers), structure or ownership of the Counterparty or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar proceedings affecting the Counterparty or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligations; (f) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Counterparty, the Guaranteed Party or any other corporation or person, whether in connection herewith or in connection with any unrelated transaction;

provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim; (g) the invalidity, irregularity or unenforceability in whole or in part of the Agreement or any Guaranteed Obligations or any instrument evidencing any Guaranteed Obligations or the absence of any action to enforce the same, or any provision of applicable law or regulation purporting to prohibit payment by the Counterparty of amounts to be paid by it under the Agreement or any of the Guaranteed Obligations; and (h) except for a failure to comply with any applicable statute of limitations, any other act or omission to act or delay of any kind of the Counterparty, any other guarantor, the Guaranteed Party or any other corporation, entity or person or any other event, occurrence or circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of the Guarantor's obligations hereunder.

5. The Guarantor hereby irrevocably waives (a) any right of reimbursement or contribution, and (b) any right of salvage against the Counterparty or any collateral security or guaranty or right of offset held by the Guaranteed Party therefor until all Guaranteed Obligations to the Guaranteed Party pursuant to the Agreement have been irrevocably paid in full.

6. The Guarantor will not exercise any rights which it may acquire by way of subrogation or any other right to payment until all Guaranteed Obligations to the Guaranteed Party pursuant to the Agreement have been irrevocably paid in full.

7. Subject to the terms and conditions hereof, this Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. Except for a failure to comply with any applicable statute of limitations, no failure or delay on the part of the Guaranteed Party in exercising any right, power or privilege hereunder, and no course of dealing between the Guarantor and a Guaranteed Party, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights, powers and remedies herein expressly provided are cumulative and not exclusive of any rights, powers or remedies, which a Guaranteed Party would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of a Guaranteed Party to any other or further action in any circumstances without notice or demand.

8. This Guaranty shall be binding upon the Guarantor and upon its successors and assigns and shall inure to the benefit of and be enforceable by the Guaranteed Party and its successors and assigns; provided, however, that the Guarantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Guaranteed Party. The assignment rights of the Guaranteed Party will be in accordance with any applicable terms of the Agreement.

9. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except upon written agreement of the Guaranteed Party and the Guarantor.

10. The Guarantor's liability as guarantor shall continue and remain in full force and effect in the event that all or any part of any payment made hereunder or any obligation or liability guaranteed hereunder is recovered (as a fraudulent conveyance, preference or otherwise) rescinded or must otherwise be reinstated or returned due to bankruptcy or insolvency laws or otherwise. If claim is ever made upon the Guaranteed Party for repayment or recovery of any amount or amounts received from the Guarantor or the Counterparty in payment or on account of any of the Guaranteed Obligations and the Guaranteed Party repays all or part of such amount by reason of (a) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property, or (b) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Guarantor), then and in such event the Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon it, notwithstanding any revocation hereof or the cancellation of the Agreement or other instrument evidencing any liability of the Guarantor, and the Guarantor shall be and remain liable to the Guaranteed Party hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by the Guaranteed Party.

11. Subject to Paragraph 10, this Guaranty shall remain in full force and effect until all Guaranteed Obligations have been fully and finally performed, at which point it will expire. The Guarantor may terminate this Guaranty upon thirty (30) days prior written notice to the Guaranteed Party which termination shall be effective only upon receipt by the Guaranteed Party of alternative means of security or credit support, as specified in the Agreement and in a form reasonably acceptable to the Guaranteed Party. Upon the effectiveness of any such expiration or termination, the Guarantor shall have no further liability under this Guaranty, except with respect to the Guaranteed Obligations arising or created prior to the time the expiration or termination is effective, which Guaranteed Obligations shall remain guaranteed pursuant to the terms of this Guaranty until finally and fully performed.

12. All notices and other communications hereunder shall be made at the addresses by hand delivery, by the next day delivery service effective upon receipt, or by certified mail return receipt requested (effective upon scheduled weekday delivery day) or electronic means (effective upon receipt of evidence that the electronic communication was received)

13. The Guarantor represents and warrants that: (a) it is duly organized and validly existing under the laws of the jurisdiction in which it was organized and has the power and authority to execute, deliver, and perform this Guaranty; (b) no authorization, approval, consent or order of, or registration or filing with, any court or other governmental body having jurisdiction over the Guarantor is required on the part of the Guarantor for the execution, delivery and performance of this Guaranty except for those already made or obtained; (c) this Guaranty constitutes a valid and legally binding agreement of the Guarantor, and is enforceable against the Guarantor in accordance with its terms; and (d) the execution, delivery and performance of this Guaranty by the Guarantor have been and remain duly authorized by all necessary corporate or comparable action and do not contravene any provision of its constituent documents or any law, regulation or contractual restriction binding on it or its assets.

14. This Guaranty and the rights and obligations of the Counterparty and the Guarantor hereunder shall be construed in accordance with and governed by the laws of the State of New York. The Guarantor and Guaranteed Party agree and irrevocably submit to the exclusive jurisdiction of state and federal courts located in the Northern District of the State of Illinois over any disputes arising or relating to this Guaranty and waive and agree not to assert as a defense any objections to venue or inconvenient forum. The Guarantor and the Guaranteed Party consent to and grant any such court jurisdiction over the person of such party and over the subject matter of such dispute and agree that summons or other legal process in connection with any such action or proceeding shall be deemed properly and effectively served when sent by certified U.S. mail, return receipt requested, to the address of the other party set forth in Paragraph 12 hereof, or in such other manner as may be permitted by law. The Guarantor and the Guaranteed Party each hereby irrevocably waives any and all rights to trial by jury with respect to any legal proceeding arising out of or relating to this Guaranty.

15. This writing is the complete and exclusive statement of the terms of this Guaranty and supersedes all prior oral or written representations, understandings, and agreements between the Guaranteed Party and the Guarantor with respect to subject matter hereof. The Guaranteed Party and the Guarantor agree that there are no conditions to the full effectiveness of this Guaranty.

16. Every provision of this Guaranty is intended to be severable. If any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable.

17. If the Guarantor is a trust: no trustee of the Guarantor shall be held to any liability whatsoever for any obligation under this Guaranty, and this Guaranty shall not be enforceable against any such trustee in their or its, his or her individual capacities or capacity; and this Guaranty shall be enforceable against the trustees of the Guarantor only as such, and every person, firm, association, trust or corporation having any claim or demand arising under this Guaranty and relating to the Guarantor or any trustee of the Guarantor shall look solely to the trust estate of the Guarantor for the payment or satisfaction thereof.

IN WITNESS WHEREOF, the Guarantor has caused this Guaranty to be executed and delivered as of the date first written above to be effective as of the earliest effective date of any of the Agreement.

An entity that is proposing to serve as a Guarantor under a Guaranty, but that has not been formed or organized under the laws of a state of the United States or the District of Columbia, must meet the following additional requirements in order to be recognized as an acceptable Guarantor:

1. Such entity must deliver a legal opinion (“*Opinion*”) of a law firm or a counsel, in either case who is not an employee of such entity or any of its affiliates or subsidiaries and who is authorized and qualified to practice law and render legal opinions in the foreign jurisdiction in which such entity is formed or organized. The *Opinion* shall meet the minimum content requirements specified below.
2. Such entity must deliver the sworn certificate of the corporate secretary (or similar or comparable officer) of such entity that the person executing the Guaranty on behalf of such entity has the authority to execute the Guaranty on behalf of such entity and that the governing board of such entity has approved the execution and delivery of the Guaranty.
3. Such entity must deliver the sworn certificate of the corporate secretary (or similar or comparable officer) of such entity that such entity has been authorized by its governing board to enter into agreements of the same type as the Guaranty.
4. Such entity must maintain an agent for acceptance of service of process in the United States. By executing and delivering the Guaranty, such entity agrees that service of any process in any claim or proceeding relating to the Guaranty may be made or served upon such entity by United States mail (postage prepaid).
5. The country in which such entity is domiciled must have a long-term sovereign (or equivalent) rating of AA+/Aa1 from at least two of the following rating agencies: S&P, Moody’s or Fitch. Each rating agency’s sovereign rating for the domicile country will be considered to be the lowest of: country ceiling, senior unsecured government debt, long-term foreign currency sovereign rating, long-term local currency sovereign rating, or other equivalent measure.
6. Such entity must pay for all expenses incurred by Party B related to reviewing and acceptance of the documents to be delivered with the Guaranty as provided in paragraphs 1 to 3 (inclusive) above; provided, however, that such payment shall not exceed \$10,000.

Once the *Opinion* has been provided and accepted as sufficient by Party B, in lieu of repeating the above process, the proposed Guarantor may re-certify its status in a subsequent procurement event if there have been no changes that would have altered that *Opinion*. To re-certify, the proposed Guarantor must provide a current letter by its Corporate Secretary (or equal / higher Corporate Officer) that it certifies that there have been no changes in its status which would adversely affect the enforceability of the Guaranty, since the time that the original *Opinion* was rendered.

Party B shall have sole and absolute discretion, without liability or recourse to the proposed Guarantor or Party A, to evaluate the sufficiency of the documents submitted by such proposed Guarantor pursuant to the requirements of this Schedule 2B. The following minimum requirements are to be met by the *Opinion* mentioned in paragraph 1 above:

- (a) The *Opinion* must be in English.
- (b) The *Opinion* should contain a recitation of the documents that have been reviewed by such counsel as a basis for the opinions expressed. Such recitations should include statements that (i) counsel has reviewed the organizational documents for the entity in question and has reviewed the legal requirements and agreement(s) in question (i.e., the REC Contract, the Master Renewable Energy Certificate Purchase and Sale Agreement, the Guaranty, the Rules and associated Appendices, Exhibits and Schedules), (ii) counsel has considered any necessary corporate, regulatory or governmental authorizations or approvals that may be required as a condition to the entity entering into and performing the Guaranty and (iii) counsel has reviewed evidence provided by the entity,

which evidence has been satisfactorily identified or certified to counsel, of such corporate, regulatory and governmental authorizations or approvals.

- (c) Based upon the review described in the preceding paragraph (b), the Opinion should reach the legal conclusions that: (i) under the law of the jurisdiction where the entity is organized, the necessary steps have been taken to cause the Guaranty, when executed and delivered on behalf of the entity, to become a valid and enforceable obligation of that entity, (ii) the Guaranty, when executed and delivered on behalf of the entity, will be, to the extent that the law of the entity's jurisdiction of organization is applicable to the enforcement of the entity's obligations thereunder, a valid and enforceable obligation of that entity, enforceable against it in accordance with its terms, subject to any enumerated customary exceptions under the law of such jurisdiction, and (iii) under law of the jurisdiction where the entity is organized, the choice of [Illinois][New York] law to govern the Guaranty is valid and enforceable against such entity.

In rendering its opinions within the Opinion, counsel may state that it is not rendering any opinion with respect to the laws of the state of [Illinois][New York], which govern the Guaranty.

The following text provides an illustration of how the requirements in paragraphs (a) through (c) (inclusive) above might be presented in an opinion of counsel:

[Description of transaction background/reason for delivering opinion]

We are familiar with the proceedings taken by [entity] in connection with the Guaranty and the transactions contemplated thereby. In connection with the opinions hereinafter expressed, we have reviewed originals, or copies of originals certified to our satisfaction, of (i) [describe the organizational or governing documents of the entity], (ii) a certificate of the [corporate secretary (or similar or comparable officer)] of [entity] that the person executing the Guaranty on behalf of [entity] has the authority to execute and deliver the Guaranty and that the governing board of [entity] has approved the execution and delivery of the Guaranty, (iii) a certificate of the [corporate secretary (or similar or comparable officer)] of [entity] that [entity] has been authorized by its governing board to enter into agreements of the same type as the Guaranty, (iv) the Guaranty, (v) the REC Contract, and (vi) [describe any other relevant documents]. We have considered the governmental or regulatory approvals that may be applicable to the execution, delivery and performance of the Guaranty by [entity]. We have also examined such questions of law and have satisfied ourselves as to such matters of fact as we have considered relevant and necessary as a basis for the opinions hereinafter expressed.

Based upon the foregoing, and subject to the assumptions, limitations and qualifications hereinafter stated, it is our opinion that:

1. Under the law of [jurisdiction of organization or formation], [entity] has taken all necessary action to cause the Guaranty, when executed and delivered on behalf of [entity], to become a valid and binding obligation of [entity]
2. The Guaranty, when executed and delivered on behalf of [entity], will be, to the extent that the law of [jurisdiction of organization or formation] is applicable to the enforcement of [entity's] obligations thereunder, the valid and binding obligation of [entity], enforceable against [entity] in accordance with its terms, except as such enforceability may be affected by [describe any exceptions].
3. The choice of the parties to the Guaranty to have the laws of the state of [Illinois][New York] govern the enforceability of the parties' obligations under the Guaranty is valid and enforceable against [entity] under the laws of [jurisdiction of organization or formation].

EXHIBIT E-5

Form of Guaranty (MidAmerican Energy Company)

THIS GUARANTY (this “Guaranty”), dated as of _____, 20__ , is made by _____ (the “Guarantor”), a _____ organized and existing under the laws of _____, in favor of MidAmerican Energy Company (the “Beneficiary”), a corporation organized and existing under the laws of the State of Iowa.

Terms not defined herein shall have the meanings given to them in the [_____] dated _____, 20__ (as amended, modified or extended from time to time, the “Agreement”), between the Beneficiary and _____, a _____ organized and existing under the laws of _____ (the “Counterparty”). This Guaranty is made by Guarantor in consideration for, and as an inducement for the Beneficiary to enter into, the Agreement with the Counterparty. Guarantor, subject to the terms and conditions hereof, hereby unconditionally, irrevocably and absolutely guarantees to the Beneficiary the full and prompt payment and performance when due, subject to any applicable grace period, of all payment obligations of the Counterparty to the Beneficiary arising out of the Agreement. Without limiting the generality of the foregoing, Guarantor further agrees as follows:

1. The Guarantor, as primary obligor and not merely as surety, hereby irrevocably, absolutely and unconditionally guarantees the full and prompt payment when due (whether by acceleration or otherwise) of any sums due and payable by the Counterparty under the Agreement (including, without limitation, indemnities, damages, fees and interest thereon, pursuant to the terms of the Agreement). Notwithstanding anything to the contrary herein, the maximum aggregate liability of the Guarantor under this Guaranty shall in no event exceed _____; provided, that Guarantor will be responsible for all reasonable legal fees, costs, and expenses incurred by the Beneficiary in enforcing the obligations or for the protection of Beneficiary’s rights under this Guaranty apart from such liability cap. All such principal, interest, obligations and liabilities, collectively, are the “Guaranteed Obligations.” This Guaranty is a guarantee of payment and not of collection.

2. The Guarantor hereby waives (a) notice of acceptance of this Guaranty, notice of the creation or existence of any of the Obligations and notice of any action by the Beneficiary in reliance hereon or in connection herewith; notice of the entry into any Contract or any waiver of consent under any Contract, including waivers of the payment and performance of the obligations thereunder; (b) presentment and demand concerning the liabilities of Counterparty or Guarantor; (c) notice of any dishonor or default by, or disputes with, Counterparty; (d) diligence; and (e) any right to require that Beneficiary bring any action or proceeding against Counterparty or any other person, or to require that Beneficiary seek enforcement of any performance against Counterparty or any other person, prior to any demand for payment or other action against Guarantor under the terms hereof. Guarantor agrees that Beneficiary may, at any time and from time to time, without notice to or consent of Guarantor and without impairing or releasing the liability and obligations of Guarantor hereunder: (i) take or fail to take any action of any kind in respect of any collateral for any Obligation or liability of Counterparty to Beneficiary; and (ii) compromise or subordinate any Obligation or liability of Counterparty to Beneficiary, including any collateral therefor.

3. The Beneficiary may, at any time and from time to time, without notice to or consent of the Guarantor, without incurring responsibility to the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions: (a) take or refrain from taking any and all actions with respect to the Guaranteed Obligations, any document or any person (including the Counterparty) that the Beneficiary determines in its sole discretion to be necessary or appropriate; (b) take or refrain from taking any action of any kind in respect of any security for any Guaranteed Obligation(s) or liability of the Counterparty to the Beneficiary; or (c) compromise or subordinate any Guaranteed Obligation(s) or liability of the Counterparty to the Beneficiary including any security therefor.

4. Subject to the terms and conditions hereof, the obligations of the Guarantor under this Guaranty are absolute, irrevocable and unconditional and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (a) any extension, renewal, settlement, compromise, waiver, consent, discharge or release by the Counterparty concerning any provision of the Agreement in respect of any Guaranteed Obligations of the Counterparty; (b) the rendering of any judgment against the Counterparty or any action to enforce the same; (c) the existence, or extent of, any release, exchange, surrender, nonperfection or invalidity of any direct or indirect security for any of the Guaranteed Obligations; (d) any modification, amendment, waiver, extension of or supplement to any of the Agreement or the Guaranteed Obligations agreed to from time to time by the Counterparty and the Beneficiary; (e) any change in the corporate existence (including its articles, bylaws, operating agreement, constitution, laws, rules, regulations or

powers, as each is applicable), structure or ownership of the Counterparty or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar proceedings affecting the Counterparty or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligations; (f) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Counterparty, the Beneficiary or any other entity or person, whether in connection herewith or in connection with any unrelated transaction; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim; (g) the invalidity, irregularity or unenforceability in whole or in part of the Agreement or any Guaranteed Obligations or any instrument evidencing any Guaranteed Obligations or the absence of any action to enforce the same, or any provision of applicable law or regulation purporting to prohibit payment by the Counterparty of amounts to be paid by it under the Agreement or any of the Guaranteed Obligations; and (h) except for a failure to comply with any applicable statute of limitations, any other act or omission to act or delay of any kind of the Counterparty, any other guarantor, the Beneficiary or any other corporation, entity or person or any other event, occurrence or circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of the Guarantor's obligations hereunder.

5. The Guarantor hereby irrevocably waives (a) any right of reimbursement or contribution, and (b) any right of salvage against the Counterparty or any collateral security or guaranty or right of offset held by the Beneficiary therefor until all Guaranteed Obligations to the Beneficiary pursuant to the Agreement have been irrevocably paid in full.

6. The Guarantor will not exercise any rights which it may acquire by way of subrogation or any other right to payment until all Guaranteed Obligations to the Beneficiary pursuant to the Agreement have been irrevocably paid in full.

7. Subject to the terms and conditions hereof, this Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. Except for a failure to comply with any applicable statute of limitations, no failure or delay on the part of the Beneficiary in exercising any right, power or privilege hereunder, and no course of dealing between the Guarantor and the Beneficiary, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights, powers and remedies herein expressly provided are cumulative and not exclusive of any rights, powers or remedies, which the Beneficiary would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Beneficiary to any other or further action in any circumstances without notice or demand.

8. This Guaranty shall be binding upon the Guarantor and upon its successors and assigns and shall inure to the benefit of and be enforceable by the Beneficiary and its successors and assigns; provided, however, that the Guarantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Beneficiary. The assignment rights of the Beneficiary will be in accordance with any applicable terms of the Agreement.

9. Neither this Guaranty nor any provision hereof may be amended, modified, changed, waived, discharged or terminated except upon written agreement of the Beneficiary and the Guarantor.

10. The Guarantor's liability as guarantor shall continue and remain in full force and effect in the event that all or any part of any payment made hereunder or any obligation or liability guaranteed hereunder is recovered (as a fraudulent conveyance, preference or otherwise) rescinded or must otherwise be reinstated or returned due to bankruptcy or insolvency laws or otherwise. If claim is ever made upon the Beneficiary for repayment or recovery of any amount or amounts received from the Guarantor or the Counterparty in payment or on account of any of the Guaranteed Obligations and the Beneficiary repays all or part of such amount by reason of (a) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property, or (b) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Guarantor), then and in such event the Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon it, notwithstanding any revocation hereof or the cancellation of the Agreement or other instrument evidencing any liability of the Guarantor, and the Guarantor shall be and remain liable to the Beneficiary hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by the Beneficiary.

11. Subject to Paragraph 10, this Guaranty shall remain in full force and effect until all Guaranteed Obligations have been fully and finally performed, at which point it will expire. The Guarantor may terminate this Guaranty upon thirty (30) days prior written notice to the Beneficiary which termination shall be effective only upon receipt by the Beneficiary of alternative means of security or credit support, as specified in the Agreement and in a form reasonably acceptable to the Beneficiary. Upon the effectiveness of any such expiration or termination, the Guarantor shall have no

further liability under this Guaranty, except with respect to the Guaranteed Obligations arising or created prior to the time the expiration or termination is effective, which Guaranteed Obligations shall remain guaranteed pursuant to the terms of this Guaranty until finally and fully paid and performed.

12. All notices and other communications hereunder shall be made at the addresses by hand delivery, by the next day delivery service effective upon receipt, or by certified mail return receipt requested (effective upon scheduled weekday delivery day) or electronic means (effective upon receipt of evidence that the electronic communication was received)

13. The Guarantor represents and warrants that: (a) it is duly organized and validly existing under the laws of the jurisdiction in which it was organized and has the full power and authority to execute, deliver, and perform this Guaranty; (b) no authorization, approval, consent or order of, or registration or filing with, any court or other governmental body having jurisdiction over the Guarantor is required on the part of the Guarantor for the execution, delivery and performance of this Guaranty except for those already made or obtained; (c) this Guaranty constitutes a valid and legally binding agreement of the Guarantor, and is enforceable against the Guarantor in accordance with its terms; and (d) the execution, delivery and performance of this Guaranty by the Guarantor have been and remain duly authorized by all necessary corporate or comparable action and do not contravene any provision of its constituent documents or any law, regulation or contractual restriction binding on it or its assets.

14. This Guaranty and the rights and obligations of the Counterparty and the Guarantor hereunder shall be construed in accordance with and governed by the laws of the State of New York without regard to principles of conflict of laws. The Guarantor and the Beneficiary agree and irrevocably submit to the exclusive jurisdiction of state and federal courts located in the Northern District of the State of Illinois over any disputes arising or relating to this Guaranty and waive and agree not to assert as a defense any objections to venue or inconvenient forum. The Guarantor and the Beneficiary consent to and grant any such court jurisdiction over the person of such party and over the subject matter of such dispute and agree that summons or other legal process in connection with any such action or proceeding shall be deemed properly and effectively served when sent by certified U.S. mail, return receipt requested, to the address of the other party set forth in Paragraph 12 hereof, or in such other manner as may be permitted by law. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH OF THE GUARANTOR AND THE BENEFICIARY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS GUARANTY. EACH PARTY FURTHER WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED.

15. This writing is the complete and exclusive statement of the terms of this Guaranty and supersedes all prior oral or written representations, understandings, and agreements between the Beneficiary and the Guarantor with respect to subject matter hereof. The Beneficiary and the Guarantor agree that there are no conditions to the full effectiveness of this Guaranty.

16. Every provision of this Guaranty is intended to be severable. If any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable.

17. If the Guarantor is a trust: no trustee of the Guarantor shall be held to any liability whatsoever for any obligation under this Guaranty, and this Guaranty shall not be enforceable against any such trustee in their or its, his or her individual capacities or capacity; and this Guaranty shall be enforceable against the trustees of the Guarantor only as such, and every person, firm, association, trust or corporation having any claim or demand arising under this Guaranty and relating to the Guarantor or any trustee of the Guarantor shall look solely to the trust estate of the Guarantor for the payment or satisfaction thereof.

Examples

Exhibit F-1

Example of Delivery Year Requirement Calculation

As specified in Section 4.1(e), for purposes of calculating the Delivery Year Requirement during the first 365 days of the Delivery Term, the Daily Quantity can be reduced by up to 50% based on the actual amount of RECs Delivered in such 365-day period. This exhibit provides an example to illustrate such calculation.

For example, if the Annual Quantity is 3,650 RECs and the Delivery starts on August 1, 2020, then the Delivery Term is August 1, 2020 through July 31, 2021 and, for each day during the 365-day period of August 1, 2020 through July 31, 2021, the Daily Quantity can be reduced from 10 RECs to 5 RECs. The maximum of 10 RECs is calculated by dividing the 3,650 RECs (Annual Quantity) by 365 days. The minimum of 5 RECs is calculated by dividing 3,650 RECs (Annual Quantity) by 365 days, and then multiplying by 50%.

With respect only to the first 365 days of the Delivery Term, the Daily Quantity shall be reduced by up to 50% based on the amount of RECs actually Delivered by Seller during such period. For example and based on the hypothetical above:

During the first Delivery Year ending on May 31, 2021, Seller must Deliver at least 1,520 RECs, but no more than 3,040 RECs. The minimum of 1,520 RECs is the result of multiplying 5 RECs by 304 days (i.e., the number of days from August 1, 2020 through May 31, 2021), and the maximum of 3,040 RECs is the result of multiplying 10 RECs by 304 days. The Delivery Year Requirement for the first Delivery Year will be an amount between the minimum 1,520 RECs and the maximum 3,040 RECs. Buyer will pay Seller for actual RECs delivered up to the maximum Delivery Year Requirement amount, or 3,040 RECs. If Seller fails to deliver the minimum Delivery Year Requirement of 1,520 RECs, the Delivery Year will be designated a Shortfall Year.

During the second Delivery Year starting on June 1, 2021 through May 31, 2022, Seller must Deliver at least 3,345 RECs, but no more than 3,650 RECs. The minimum of 3,345 RECs is the result of adding (i) 305 RECs, which is 5 RECs multiplied by 61 days (i.e., the number of days from June 1, 2021 through July 31, 2021), and (ii) 3,040 RECs, which is 10 RECs multiplied by 304 days (i.e., the number of days from August 1, 2021 through May 31, 2022). The maximum of 3,650 RECs is the result of taking a Daily Quantity of 10 RECs and multiplying by 365 days (i.e., number of days from June 1, 2021 through May 31, 2022). The Delivery Year Requirement for the second Delivery Year will be an amount between the minimum 3,345 RECs and the maximum 3,650 RECs. Buyer will pay Seller for actual RECs delivered up to the maximum Delivery Year Requirement amount, or 3,650 RECs. If Seller fails to deliver the minimum Delivery Year Requirement of 3,345 RECs, the second Delivery Year will be designated a Shortfall Year.

For clarity, the allowance of a reduced Delivery Year Requirement as specified in Section 4.1(e) and as illustrated above shall apply only to the first 365 days of the Delivery Term and will not be extended for any reason such as the inclusion of a leap year within the first 365 days of the Delivery Term.
