

Appendix 12
Energy Storage RFP - Bid Date: August 26, 2026
Bid Form - General Information

The Summer 2026 Energy Storage RFP is held to select Stand-alone energy storage resources to execute the ISC Contract with either Ameren Illinois Company ("AIC") or Commonwealth Edison Company ("ComEd"). Projects interconnected within the MISO LRZ 4 participate in the AIC procurement event and if the bid for the Project is selected and approved by the Illinois Commerce Commission, the Seller will execute the ISC Contract with AIC. Projects interconnected within the PJM ComEd LDA participate in the ComEd procurement event and if the bid for the Project is selected and approved by the Illinois Commerce Commission, the Seller will execute the ISC Contract with ComEd.

Template Information:

In addition to this 'General Information' sheet, this Bid Form contains the 'AIC Bids' and 'ComEd Bids' sheets. A Bid for a Project participating in the AIC procurement event will be entered on the 'AIC Bids' sheet. A Bid for a Project participating in the ComEd procurement event will be entered on the 'ComEd Bids' sheet. **A Bid is the Strike Price (\$/MWh) used in the calculation of amounts paid or owed under the terms of the ISC Contract.**

Bidder Information:

Bidder Name
Contact Name
Phone Number

Bidder information is incomplete. All fields are mandatory.

Complete and Sign Certification:

I, _____, certify under penalty of perjury that I am authorized to submit these Bids.

By affixing my electronic signature below I understand and agree to the following: Any Bid submitted with respect to the Project must remain binding until fourteen (14) business days after the anticipated date of the decision by the Illinois Commerce Commission on the results of the procurement event for a Company. The Bid constitutes a binding and irrevocable commitment to accept amounts paid or owed under the terms of the ISC Contract with the Company as a counterparty calculated using the Strike Price as specified in the Bid. If the Bid for the Project is selected in the procurement event for the Company and the Bid is approved by the Illinois Commerce Commission, the Seller will execute the ISC Contract with the Company as instructed by the Procurement Administrator.
