

Appendix 8
Brownfield Site Photovoltaic RFP - Bid Date: July 26, 2019
Bid Form - General Information

The Brownfield Site Photovoltaic RFP seeks to procure RECs for the portfolios of Ameren Illinois Company, Commonwealth Edison Company, and MidAmerican Energy Company (each a "Company"). In this Bid Form, the REC Contract means the Brownfield REC Contract.

Template Information:

In addition to this 'General Information' sheet, this Bid Form contains the 'Bids' sheet.

Bidder Information:

Bidder Name	Bidder A
Contact Name	John Doe
Phone Number	555-555-5555

Product Information:

-A REC is a Standard REC and represents all the environmental attributes corresponding to one megawatt-hour of energy generated from renewable energy sources.

-The Target for the procurement event is 80,000 RECs from new brownfield site photovoltaic projects.

A Bidder may present Bids for multiple projects as long as the sum of the partial award quantities does not exceed the Target.

Complete and Sign Certification:

I, John Doe, certify under penalty of perjury that I am authorized to submit these Bids.

By affixing my electronic signature below I understand and agree to the following: Any Bid submitted for this procurement event will remain binding until seventeen (17) business days after the Bid Date. The price in the Bid constitutes a binding and irrevocable offer to supply the annual quantity of RECs from the Project selected in the evaluation at the price in the Bid and under the terms of the REC Contract. The annual quantity selected in the evaluation is an annual quantity in the REC Contract aggregated across all Companies that is not less than the partial award quantity provided in the Bid and that does not exceed the full quantity provided in the Bid. If the ICC approves some or all of the Seller's Bids, the Seller will execute the REC Contracts with the Companies as instructed by the Procurement Administrator and the Seller will submit all necessary supporting documentation in the timeframe required by the REC Contract.

Brownfield Site Photovoltaic RFP - Bid Date: July 26, 2019
Bid Form - Bids**

Bidder A

Notes:

- A Bid for a Project has three elements: (i) a price per REC; (ii) a full quantity, which is an annual quantity of RECs that the Seller is offering to deliver under the terms of the REC Contract; and (iii) a partial award quantity, which is a minimum annual quantity of RECs that the Seller is willing to accept as a partial award.
- The full quantity and the partial award quantity must each specify an integer number of RECs.
- The full quantity must not exceed the Target. The full quantity must not exceed the Maximum Bid Size.
- The partial award quantity must not exceed the full quantity.
- The price in the Bid must be a \$/REC and must display as a number rounded to the nearest cent.
- Only one Bid may be submitted for a Project.
- The sum of the partial award quantities across all Projects presented by a Bidder must not exceed the Target.
- The full quantity of RECs bid for a Project cannot exceed the "Maximum Bid Size", which is the product of: (i) the Project size in MW (AC rating), (ii) a capacity factor of 26.5%, and (iii) 8760 hours.

BIDS TAB COMPLETE	OK
-------------------	----

Aggregate Number of RECs across all Projects:	5,500	OK
---	-------	----

RECs generated from brownfield site photovoltaic projects

	Name of Seller	Project Tag	Project Size (MW)	Max Bid Size	Price (\$/REC)	Full Quantity (# of RECs)	Partial Award Quantity (# of RECs)	Full Quantity < Max Bid Size	Full Quantity ≥ Partial Award
1	Sample Seller 5	SMP-05	1.00	2,322	\$75.00	2,300	2,300	OK	OK
2	Sample Seller 6	SMP-06	1.40	3,250	\$80.00	3,200	3,000	OK	OK
