

Appendix 8 Wind and Solar Procurement Bid Form - General Information

Template Information:

In addition to this 'General Information' sheet, this Bid Form contains the following (2) sheets:

- 1) **Wind Bids**
- 2) **Solar Bids**

Bidder Information:

Company Name	
Contact Name	
Phone Number	

Bidder information is incomplete. All fields are mandatory.

Product Information:

- A REC is A Standard REC and represents all the environmental attributes corresponding to one megawatt-hour of energy generated from renewable energy.
- There are two Products in this RFP each corresponding to two "Types" of Projects: Wind Projects and Solar Projects.
- A Project must be "new". A Project is new if it started operation on or after June 1, 2017.
- A Project cannot be located outside of the state of Illinois and the states adjacent to Illinois. States adjacent to Illinois are Wisconsin, Iowa, Missouri, Kentucky, Indiana and Michigan.

The two (2) Products are defined below:

Product	Product Definition	Target
Wind	RECs associated with utility-scale wind projects	1,000,000
Solar	RECs associated with utility-scale solar projects and brownfield site photovoltaic projects	200,000

A Target is specified for each Product. In no event will the procurement of RECs exceed the Target for the Product.

Complete and Sign Certification:

I, _____, certify under penalty of perjury that I am authorized to submit these Bids.

By affixing my electronic signature below I understand and agree to the following: Any Bid on any Product submitted in response for this procurement event will remain binding until seventeen (17) business days after the Bid Date. The price in the Bid constitutes a binding and irrevocable offer to supply RECs of a Product corresponding to the Project at that price under the terms of the REC Contract and the quantity in the Bid is the annual quantity in the REC Contract across all Companies. If the ICC approves some or all of the Seller's Bids, the Seller will execute the REC Contracts with the Companies as instructed by the Procurement Administrator and the Seller will submit all necessary supporting documentation in the timeframe required by the REC Contract.
