Such single FPCSC Termination Payment will be payable within five (5) Business Days by the Party owing such amount to the other.

(b) The Defaulting Party shall indemnify and hold the other Party harmless from all reasonable costs and expenses, including reasonable attorney fees, incurred in the exercise of its remedies hereunder.

(c) It is the intention of each of the Parties that the decision by the Non-Defaulting Party to terminate its obligations to the Defaulting Party hereunder shall result in the automatic termination of its obligations under all other Fixed Price Customer Supply Contracts between the Parties. The Non-Defaulting Party will calculate a single closeout setoff applicable to all such Fixed Price Customer Supply Contracts as set forth above, and only one payment will be paid by the Party owing such amount.

(d) The Parties are making credit, default, collateral and other decisions and changes based upon and in reliance on the effectiveness of the default, early termination, setoff and netting provisions of this Agreement and any other Fixed Price Customer Supply Contracts, including without limitation the calculation of Exposure for purposes of determining how much collateral shall be posted and the calculation of a single closeout setoff across the Agreement and all other Fixed Price Customer Supply Contracts. The Parties would not enter into this Agreement except for their reliance on and with the understanding that such terms shall be effective.”

Upon any action by FERC with respect to the above filing, whether acceptance, approval, rejection or otherwise, Seller shall promptly notify Buyer of any such action. Pending such FERC acceptance and/or approval, on or prior to ten (10) Business Days prior to the applicable Delivery Period, Seller shall either (i) give Buyer written notice that Seller will not deliver and schedule the Product with respect to such applicable Delivery Period, in which case the Quantity of the Product for such Delivery Period shall be zero (0) or (ii) commit to deliver the Product for such applicable Delivery Period and complete MISO scheduling tasks for such applicable Delivery Period pursuant to Section 3.2; provided, if Seller fails to give notice or commit deliver and schedule the Product within such time period, then the Quantity of the Product for such Delivery Period shall be zero (0). Buyer will not be required to make any payment to Seller pursuant to Section 3 hereof until Seller receives such acceptance and/or approval. Upon receipt of such FERC acceptance and/or approval, Seller may provide an invoice for all amounts then due under this Confirmation Agreement, which such invoice shall be paid by Buyer within ten (10) Business Days of receipt of such invoice. In the event FERC does not accept or approve this Confirmation Agreement without condition or modification or rejects this Confirmation Agreement, upon Seller's or Buyer's receipt of such condition, modification or rejection from FERC, this Confirmation Agreement shall be of no further force or effect and neither Party will have any further liability or obligation to the other Party under this Confirmation Agreement, except to the extent Seller has committed to deliver and schedule Product as provided in (ii) above. Failing the entry of a protective order or the receipt of a waiver hereunder, that Party may disclose that portion of the Confidential Information as requested or required. In any event, a Party will not oppose action by the other to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded the Confidential Information; provided, however, each Party shall, to the extent practicable, use reasonable efforts to prevent or limit the disclosure. Notwithstanding the foregoing, Party B may disclose the terms of this Confirmation Agreement to the Illinois Power Agency (“IPA”). Each Party shall be liable for breach of any confidentiality obligation pursuant to this Master Agreement by such Representatives. Neither Party shall object to the admissibility of the Confirmation Agreement or the Imaged Agreement (or photocopies of the Confirmation Agreement or the Imaged Agreement) on the basis that such were not originated or maintained in documentary form under the hearsay rule, the best evidence rule or other rule of evidence.”

“10.13 FERC Standard of Review; Mobile-Sierra Waiver.

(Redlines reflect differences between the final document posted for the September 2014 RFP and the final document posted for the 2015 RFP on March 9, 2015)

(a) Absent the agreement of all Parties to the proposed change, the standard of review for changes to any rate, charge, classification, term or condition of this Agreement, whether proposed by a Party (to the extent that any waiver in subsection (b) below is unenforceable or ineffective as to such Party), a non-party or FERC acting sua sponte, shall solely be the “public interest” application of the “just and reasonable” standard of review set forth in *United Gas Pipe Line Co. v. Mobile Gas Service Corp.*, 350 U.S. 332 (1956) and *Federal Power Commission v. Sierra Pacific Power Co.*, 350 U.S. 348 (1956) and clarified by *Morgan Stanley Capital Group, Inc. v. Public Util. Dist. No. 1 of Snohomish* 554 U.S. 527 (2008) (the “Mobile-Sierra” doctrine).

(b) In addition, and notwithstanding the foregoing subsection (a), to the fullest extent permitted by applicable law, each Party, for itself and its successors and assigns, hereby expressly and irrevocably waives any rights it can or may have, now or in the future, whether under §§ 205 and/or 206 of the Federal Power Act or otherwise, to seek to obtain from FERC by any means, directly or indirectly (through complaint, investigation or otherwise), and each hereby covenants and agrees not at any time to seek to so obtain, an order from FERC changing any section of this Agreement specifying the rate, charge, classification, or other term or condition agreed to by the Parties, it being the express intent of the Parties that, to the fullest extent permitted by applicable law, neither Party shall unilaterally seek to obtain from FERC any relief changing the rate, charge, classification, or other term or condition of this Agreement, notwithstanding any subsequent changes in applicable law or market conditions that may occur. In the event it were to be determined that applicable law precludes the Parties from waiving their rights to seek changes from FERC to their market-based power sales contracts (including entering into covenants not to do so) then this subsection (b) shall not apply, provided that, consistent with the foregoing subsection (a), neither Party shall seek any such changes except solely under the “public interest” application of the “just and reasonable” standard of review and otherwise as set forth in the foregoing section (a).”

36. The following is added to the Master Agreement as Section 10.14:

“10.14 Exclusive Jurisdiction. With respect to any action, suit or proceedings relating to this Confirmation Agreement (“Proceedings”), each Party irrevocably: (i) submits to the exclusive jurisdiction of the courts of the State of Illinois and the United States District Court located in the Northern District of Illinois, and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have jurisdiction over such Party. Nothing in this Confirmation Agreement precludes either Party from bringing Proceedings in any other jurisdiction in order to enforce any judgment obtained in any Proceedings referred to in the preceding sentence, nor will the bringing

In the event that a Party is rated by all three credit rating agencies, then the lower of the two highest ratings will apply for purposes of determining a “Material Adverse Change” and (b) in the event that the two highest ratings are common, such common rating will apply for purposes of determining a “Material Adverse Change”. The Guarantor, as primary obligor and not merely as surety, hereby irrevocably and unconditionally guarantees the full and prompt payment when due (whether by acceleration or otherwise) of any sums due and payable by the Counterparty as a result of an Event of Default under the Agreement (including, without limitation, indemnities, damages, fees and interest thereon, pursuant to the terms of the Agreement). Notwithstanding anything to the contrary herein, the maximum aggregate liability of the Guarantor under this Guaranty shall in no event exceed _____; provided, that Guarantor will be responsible for all reasonable legal fees, costs, and expenses incurred by the Guaranteed Party in enforcing the obligations under this Guaranty apart from such liability cap. All such principal, interest, obligations and liabilities, collectively, are the "Guaranteed Obligations". This Guaranty is a guarantee of payment and not of collection.

2. The Guarantor hereby waives diligence, acceleration, notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives presentment and all demands whatsoever except as noted herein, notice of protest, notice of dishonor or nonpayment of any such liability, suit or taking of other action by any Guaranteed Party against, and any other notice to, any party liable thereon (including the Guarantor or any other guarantor), filing of claims with a court in the event of the insolvency or bankruptcy of the Counterparty, and any right to require a proceeding first against the Counterparty.

3. The Guaranteed Party may, at any time and from time to time, without notice to or consent of the Guarantor, without incurring responsibility to the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions: (a) take or refrain from taking any and all actions with respect to the Guaranteed Obligations, any document or any person (including the Counterparty) that the Guaranteed Party determine in their sole discretion to be necessary or appropriate; (b) take or refrain from taking any action of any kind in respect of any security for any Guaranteed Obligation(s) or liability of the Counterparty to the Guaranteed Party; or (c) compromise or subordinate any Guaranteed Obligation(s) or liability of the Counterparty to the Guaranteed Party including any security therefor.

4. Subject to the terms and conditions hereof, the obligations of the Guarantor under this Guaranty are absolute, irrevocable and unconditional and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (a) any extension, renewal, settlement, compromise, waiver, consent, discharge or release by the Counterparty concerning any provision of the Agreement in respect of any Guaranteed Obligations of the Counterparty; (b) the rendering of any judgment against the Counterparty or any action to enforce the same; (c) the existence, or extent of, any release, exchange, surrender, nonperfection or invalidity of any direct or indirect security for any of the Guaranteed Obligations; (d) any modification, amendment, waiver, extension of or supplement to any of the Agreement or the Guaranteed Obligations agreed to from time to time by the Counterparty and the Guaranteed Party; (e) any change in the corporate existence (including its constitution, laws, rules,

5. The Guarantor hereby irrevocably waives (a) any right of reimbursement or contribution, and (b) any right of salvage against the Counterparty or any collateral security or guaranty or right of offset held by the Guaranteed Party therefor until all Guaranteed Obligations to the Guaranteed Party pursuant to the Agreement have been irrevocably paid in full.

6. The Guarantor will not exercise any rights which it may acquire by way of subrogation or any other right to payment until all Guaranteed Obligations to the Guaranteed Party pursuant to the Agreement have been irrevocably paid in full.

7. Subject to the terms and conditions hereof, this Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. Except for a failure to comply with any applicable statute of limitations, no failure or delay on the part of the Guaranteed Party in exercising any right, power or privilege hereunder, and no course of dealing between the Guarantor and a Guaranteed Party, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights, powers and remedies herein expressly provided are cumulative and not exclusive of any rights, powers or remedies, which a Guaranteed Party would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of a Guaranteed Party to any other or further action in any circumstances without notice or demand.

8. This Guaranty shall be binding upon the Guarantor and upon its successors and assigns and shall inure to the benefit of and be enforceable by the Guaranteed Party and their successors and assigns; provided, however, that the Guarantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Guaranteed Party. The assignment rights of the Guaranteed Party will be in accordance with any applicable terms of the Agreement.

9. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except upon written agreement of the Guaranteed Party and the Guarantor.

10. The Guarantor's liability as guarantor shall continue and remain in full force and effect in the event that all or any part of any payment made hereunder or any obligation or liability guaranteed hereunder is recovered (as a fraudulent conveyance, preference or otherwise) rescinded or must otherwise be reinstated or returned due to bankruptcy or insolvency laws or otherwise. If claim is ever made upon the Guaranteed Party for repayment or recovery of any amount or amounts received from the Guarantor or the Counterparty in payment or on account of any of the Guaranteed Obligations and the Guaranteed Party repay all or part of such amount by reason of (a) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property, or (b) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Guarantor), then and in such event the Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon it, notwithstanding any revocation hereof or the cancellation of the
