The Draft (AIC) Capacity Agreement includes provisions to amend the supplier contract in the event that MISO receives FERC approval to implement changes to its resource adequacy construct that would require AIC to satisfy the resource adequacy requirements with a product other than the product (ZRCs) to be delivered under the supplier contract.

The Procurement Administrator invites interested parties to submit their comments on the Draft (AIC) Capacity Agreement.

To submit comments, please visit the [Standard Products Section](#) of the procurement website (www.IPA-energyrfp.com) to download:

- the Invitation to Comment; and
- the Draft (AIC) Capacity Agreement in Microsoft Word format.

Interested parties submit their comments as tracked changes in Microsoft Word and may also provide explanatory notes to Illinois-RFP@nera.com.

The deadline to submit comments is 6PM CPT on **Tuesday, August 16, 2016**.

The energy contracts are not included in the Fall 2016 comment process.

The Spring 2016 Standard Products Request for Proposals (“STP RFP”) will solicit bids for monthly on-peak and off-peak standard block forward products as well as combinations for Ameren Illinois Company (“AIC”), Commonwealth Edison Company (“ComEd”), and MidAmerican Energy Company (“MidAm”).

On March 4, 2016, the Procurement Administrator posted to the procurement website each Company’s draft supplier contract. The Procurement Administrator invites interested parties to submit their comments on the proposed contracts for each of AIC, ComEd and MidAm.

For AIC and ComEd, the Procurement Administrator is proposing to use the 2015 AIC and ComEd energy contracts with minor changes. Please note that comments are solicited on proposed changes that have been made relative to the previously used 2015 energy contracts only and not on the entire contract. To submit comments for AIC and ComEd, please visit the [Standard Products Section](#) of the procurement website (www.IPA-energyrfp.com) to download:

- the Invitation to Comment; and
- the Comment Form to be used for submitting comments.

For AIC and ComEd, interested parties submit their comments using the Comment Form provided.

For MidAm, the Procurement Administrator is proposing as the standard contract form the EEI Master Power Purchase & Sale Agreement with certain modifications and specific terms. Suppliers may submit comments on the draft contract in its entirety. To submit comments for MidAm, please visit the [Standard Products Section](#) of the procurement website (www.IPA-energyrfp.com) to download:

- the Invitation to Comment; and
- the Draft (MidAm) Confirmation Agreement in Microsoft Word format.

For MidAm, interested parties submit their comments as tracked changes in Microsoft Word and may also provide explanatory notes to Illinois-RFP@nera.com.

To facilitate the review by interested parties, the Procurement Administrator has also posted to the procurement website redlines comparing the draft contract for MidAm: (a) with the draft contract for AIC and (b) with the final contract for AIC used in 2015.

The deadline to submit comments for all Companies is **6PM CPT TODAY, March 14, 2016**.

STP RFP – ANNOUNCEMENT: Invitation to Comment on Draft Energy Contract Forms

Published Date: 2016-03-04 22:47:52

The Spring 2016 Standard Products Request for Proposals (“STP RFP”) will solicit bids for monthly on-peak and off-peak standard block forward products as well as combinations for Ameren Illinois Company (“AIC”), Commonwealth Edison Company (“ComEd”), and MidAmerican Energy Company (“MidAm”).

On March 4, 2016, the Procurement Administrator posted to the procurement website each Company’s draft supplier contract. The Procurement Administrator invites interested parties to submit their comments on the proposed contracts for each of AIC, ComEd and MidAm.

For AIC and ComEd, the Procurement Administrator is proposing to use the 2015 AIC and ComEd energy contracts with minor changes. Please note that comments are solicited on proposed changes that have been made relative to the previously used 2015 energy contracts only and not on the entire contract. To submit comments for AIC and ComEd, please visit the [Standard Products Section](#) of the procurement website (www.IPA-energyrfp.com) to download:

- the Invitation to Comment; and
- the Comment Form to be used for submitting comments.

For MidAm, the Procurement Administrator is proposing as the standard contract form the EEI Master Power Purchase & Sale Agreement with certain modifications and specific terms. Suppliers may submit comments on the draft contract in its entirety. To submit comments for MidAm, please visit the [Standard Products Section](#) of the procurement website (www.IPA-energyrfp.com) to download:

- the Invitation to Comment; and
- the Draft (MidAm) Confirmation Agreement in Microsoft Word format.

Interested parties submit their comments as tracked changes in Microsoft Word and may also provide explanatory notes to Illinois-RFP@nera.com.

The deadline to submit comments for all Companies is 6PM CPT on **Monday, March 14, 2016**.
