

AIC - Fuel Mix Report
Spring 2025 Procurement Events
Due Tuesday, April 8, 2025 by 6 PM (CPT)

- Notes:**
- Enter a percentage for each fuel source type for a given month, year, and segment (On-Peak or Off-Peak).
 - If the fuel source type remains to be determined for a portion of the winning Bid quantity, please enter the applicable percentage in the column labeled "To Be Determined".
 - If the fuel source type is not one of the types listed below, please enter both the percentage and fuel source type in a column labeled "Other".
 - If a portion of the winning Bid quantity is expected to be sourced from PJM or MISO, please enter the percentage and either "PJM fuel mix" or "MISO fuel mix" in the column labeled "Other". The Bidder should not just provide "PJM fuel mix" or "MISO fuel mix" if specific generation resources have been identified.
 - For each month and segment for which the Bidder has Bids identified as winning Bids, the row should sum to 100%.

Month	On-Peak Fuel Source Type										Total	
	Coal	Hydropower	Landfill Gas	Natural Gas	Nuclear	Oil	Solar	Wind	Other			To Be Determined
									%	Source Type
