Product Information:

A Zonal Resource Credit ("ZRC") is as defined in MISO's Business Practice Manuals and MISO's Open Access Transmission, Energy and Operating Reserve Market Tariff. Each ZRC is for a whole MW of capacity. Capacity is being procured for forecast requirements for planning year 2018-2019. The capacity requirements are as follows:

1	Planning Year 2018-2019	1,853 MW
---	-------------------------	----------

Target Information:

Planning Year 2018-2019:

The Target for the 2018-2019 planning year is 926 ZRCs. The number of ZRCs procured through this RFP will not exceed this Target.

Complete and Sign Certification:

I, _____, certify under penalty of perjury that I am authorized to submit these Bids.

By affixing my electronic signature below I understand and agree to the following: Any Bid for any Planning Year submitted in response to this procurement event is binding until nine (9) business days after the Bid Date. Each Bid constitutes a binding and irrevocable offer to deliver ZRCs at the price provided as the Bid and under the terms of the (AIC) Capacity Agreement. All Bids together constitute a binding and irrevocable offer to deliver, under the terms of the (AIC) Capacity Agreement, the number of ZRCs approved for the Planning Year at the stated prices.
