Subject: [Commenter 2]- Comment to 2026 IPA Storage RFP

Hey IPA Team,

Attached is a comment from [Commenter 2] to the 2026 Storage RFP.

Thanks,

[Commenter 2]

[Commenter 2] recommends that the IPA allow flexibility between the MISO and PJM procurement targets when a target cannot be met through cost-competitive bids within one RTO, permitting the remaining capacity to be procured from the other RTO.
