

**Fall 2017 Procurement Events
Wind and Solar RFP Results**

**7 September 2017
Wind and Solar RFP Results**

In accordance with the Act and Commission Orders, the following information will be made public at the time of Commission approval of a procurement event for a Company: (i) the names of winning Bidders; and (ii) the average of the winning bid prices for each product; and also (iii) the number of RECs awarded¹ provided, however, that there are at least three (3) successful bidders. These are provided below.

Average Winning Price and Quantity.

	Wind RECs	Solar RECs
Average Winning Price (\$/REC)	4.26	

Winning Suppliers and Annual Quantity (Wind).

Suppliers	Annual Quantity (RECs)
Broadlands Wind Farm LLC	1,000,000
Cardinal Point LLC	
Alta Farms Wind Project II, LLC	

Winning Suppliers (Solar).

Suppliers
Prairie State Solar, LLC

¹ “and also (iii) the number of RECs awarded” portion of this sentence was inadvertently omitted when this information release was first posted to the procurement website. This document was re-posted on March 23, 2018.
