

## **Illinois Power Agency Fall 2015 Procurement Events**

### **Invitation to Comment on the Draft (AIC) Capacity Agreement Procurement of Capacity for the Ameren Illinois Portfolio**

#### **Invitation to Comment**

On September 29, 2014, the Illinois Power Agency (“IPA”) submitted its Procurement Plan (“Plan”) to the Illinois Commerce Commission (“ICC”) in compliance with Public Act 095-0481, which includes the Illinois Power Agency Act. The ICC approved the Plan with modifications on December 17, 2014. The Plan provides for procurement of capacity for Ameren Illinois Company (“Ameren Illinois” or “AIC”). The Standard Products Request for Proposals (“STP RFP”) targets 50% of the 2016-2017 planning year forecast requirement and 25% of the 2017-2018 planning year forecast requirement for Ameren Illinois. (While the procurement of capacity is for Ameren Illinois only, the STP RFP also will solicit bids for energy blocks for both Ameren Illinois and Commonwealth Edison Company.)

The supplier contract for the procurement of capacity is the Confirmation Agreement, which is also designated as the “(AIC) Capacity Agreement”. **The Procurement Administrator invites interested parties to submit their comments on the Draft (AIC) Capacity Agreement.**
