**Invitation to Comment on the Preliminary Proposal Requirements and Key Contract Terms**

The Illinois Power Agency's Long-Term Renewable Resources Procurement Plan ("Long-Term Plan") provides for a procurement of RECs in Fall 2019 from **Low-Income Community Solar Pilot Projects** under 15-year contracts.<sup>1</sup>

On July 30, 2019, the Procurement Administrator posted preliminary proposal requirements and draft key contract terms related to the Low-Income Community Solar Pilot RFP to the [Draft Documents](#) page of the applicable section of the procurement website (<https://www.ipa-energyrfp.com/>). Specifically, this document provides draft Part 1 and Part 2 Proposal Requirements in two tables under Section 3 (starting on page 7) and draft Key Contract Terms in a table under Section 4 (starting on page 16).

**The Procurement Administrator invites interested parties to submit their comments on any aspect of the draft Part 1 and Part 2 Proposal Requirements and draft Key Contract Terms provided in these tables.** The timeline and process for interested parties to provide comments is as follows:

- Please submit an attachment with your comments on the draft Part 1 and Part 2 Proposal Requirements and draft Key Contract Terms by email to the Procurement Administrator at: [Illinois-RFP@nera.com](mailto:Illinois-RFP@nera.com)
- Please provide telephone and e-mail contact information in the event that the Procurement Administrator seeks clarification regarding your comments.
- Please include a reference to the section name, from the left-hand column of the respective table, that is applicable to the requirement for which you are providing comment(s).

**The deadline to provide comments is 5 PM Central Prevailing Time ("CPT") on Thursday, August 29, 2019.**

In general, responses will be made public and published on the Procurement Administrator's website. However, should a commenter seek to designate any portion of its response as confidential, that commenter should provide both public and redacted versions. Please note that the commenter's name cannot be redacted and will be posted in the published document. Independent of any designation, if the Illinois Power Agency
