Neither the Buyer nor the Seller shall be obligated to modify a schedule for any given Delivery Period once entered and approved by the Parties unless such modification is to correct errors associated with such approved schedule. For the avoidance of doubt, all scheduling shall be in Eastern Standard Time and no adjustment shall be made for Daylight Savings Time. Any capitalized terms not defined in this Confirmation Agreement shall have the meaning given to them in the MISO Documents.

18. The following new section 3.4 is added to Article 3:

19. Section 5.1—Event of Default.

- (i) The following is added immediately to the end of Section 5.1(g)

“provided, however, that notwithstanding the foregoing, an Event of Default shall not occur under either (i) or (ii) above if, as demonstrated to the reasonable satisfaction of the other Party, (a) the event or condition referred to in (i) or the failure to pay referred to in (ii) is a failure to pay caused by an error or omission of an administrative or operational nature; and (b) funds were available to such Party to enable it to make the relevant payment when due; and (c) such relevant payment is made within three (3) Business Days following receipt of written notice from an interested Party of such failure to pay;”

Failure to cure within that time shall be deemed an Event of Default as per Section 5.1 of the Master Agreement. In addition, if the Seller incorrectly schedules the Transaction, it shall have five (5) Business Days to correct such error after receiving written notification from the Buyer. The Buyer shall, in

turn, have the later of five (5) Business Days after receiving written notification from the Seller that the corrected schedule was entered or the original deadline indicated in the Confirmation Agreement to confirm the schedule(s).”

(iv) The following is added to the Master Agreement as subsection 5.1(j):

“(j) an “Event of Default” or default (however defined) occurs and is continuing under any other Fixed Price Customer Supply Contract with respect to the Buyer or Seller.”

20. Section 5.2—Declaration of an Early Termination Date and Calculation of Settlement Amounts. Reverse the placement of “(i)” and “to” and at the end of the section, add:

“The Non-Defaulting Party may determine its Gains and Losses by reference to information either available to it internally or to the Non-Defaulting Party’s affiliates or supplied by one or more third parties including, quotations of relevant rates, prices, yields, yield curves, volatilities, spreads or other relevant market data in the relevant markets. Third parties supplying such information may include, without limitation, dealers in the relevant markets, end users of the relevant product, information vendors and other sources of market information.”

21. Section 5.3—Net Out of Settlement Amounts. Section 5.3 is replaced in its entirety, as follows:

“5.3 Net Out of Settlement Amounts. The Non-Defaulting Party shall aggregate all Settlement Amounts into a single amount by: netting out (a) all Settlement Amounts that are due to the Defaulting Party, plus, at the option of the Non-Defaulting Party, any cash or other form of security then available to the Non-Defaulting Party pursuant to Article Eight or the Collateral Annex, plus any or all other amounts due to the Defaulting Party under this Agreement against (b) all Settlement Amounts that are due to the Non-Defaulting Party, plus, at the option of the Non-Defaulting Party, any cash or other form of liquid security then in the possession of the Defaulting Party or its agent pursuant to Article 8 or the Collateral Annex, plus any or all other amounts due to the Non-Defaulting Party under this Agreement, so that all such amounts shall be netted out to a single liquidated amount (the “Termination Payment”) payable by one Party to the other. The Termination Payment shall be due to or due from the Non-Defaulting Party as appropriate.”

22. Section 5.4—Notice of Payment of Termination Payment. Section 5.4 is amended by inserting at the end thereof the following:

“Notwithstanding anything to the contrary in this Agreement, the Non-Defaulting Party need not pay to the Defaulting Party any amount under Article Five until all other obligations of the Defaulting Party, or its Guarantor, to make any payments to the Non-Defaulting Party under this

Agreement which are due and payable as of the Early Termination Date (including any amounts payable pursuant to each Excluded Transaction) have been fully and finally performed.”

23. Section 5.7—Suspension of Performance. Replace term “early Termination Date” with “Early Termination Date”.

24. The following is added to the Master Agreement as Section 5.8—Master Netting:

“(a) In addition to the Termination Payment calculated under Section 5.2 and 5.3 of the Master Agreement, for purposes of this Confirmation Agreement due to an Event of Default, the Non-Defaulting Party shall calculate a “FPCSC Termination Payment” by aggregating all “Settlement Amounts” and/or “Termination Payments” (however calculated) due under this Confirmation Agreement and any other Fixed Price Customer Supply Contracts into a single amount by: netting out (a) all “Settlement Amounts” and/or “Termination Payments” that are due or will become due to the Defaulting Party, plus, at the option of the Non-Defaulting Party, any cash or other form of security then available to the Non-Defaulting Party and actually received, liquidated and retained by the Non-Defaulting Party, plus any or all other amounts due to the Defaulting Party under this Confirmation Agreement or any other Fixed Price Customer Supply Contracts against (b) all “Settlement Amounts” and/or “Termination Payments” that are due or will become due to the Non-Defaulting Party, plus any or all other amounts due to the Non-Defaulting Party under this Confirmation Agreement or any other Fixed Price Customer Supply Contracts, so that all such amounts shall be netted out to a single liquidated amount owed by one Party to the other. Such single FPCSC Termination Payment will be payable within five (5) Business Days by the Party owing such amount to the other.

(b) The Defaulting Party shall indemnify and hold the other Party harmless from all reasonable costs and expenses, including reasonable attorney fees, incurred in the exercise of its remedies hereunder.

(c) It is the intention of each of the Parties that the decision by the Non-Defaulting Party to terminate its obligations to the Defaulting Party hereunder shall result in the automatic termination of its obligations under all other Fixed Price Customer Supply Contracts between the Parties. The Non-Defaulting Party will calculate a single closeout setoff applicable to all such Fixed Price Customer Supply Contracts as set forth above, and only one payment will be paid by the Party owing such amount.

(d) The Parties are making credit, default, collateral and other decisions and changes based upon and in reliance on the effectiveness of the default, early termination, setoff and netting provisions of this Agreement and any other Fixed Price Customer Supply Contracts, including without limitation the calculation of Exposure for purposes of determining how much collateral shall be posted and the calculation of a

single closeout setoff across the Agreement and all other Fixed Price Customer Supply Contracts. The Parties would not enter into this Agreement except for their reliance on and with the understanding that such terms shall be effective.”

25. Section 8.2—Party B Credit Protection. Subsection (e) is replaced in its entirety, as follows:

“(e) If specified on the Cover Sheet, Party A shall deliver to Party B, prior to or concurrently with the execution and delivery of this Master Agreement a Guaranty substantially in the form set forth in Exhibit A to the Collateral Annex.”

26. Section 9.2—Governmental Charges. Section 9.2 shall be amended by adding the following as a new last sentence:

“Either Party, upon written request of the other, shall provide a certificate of exemption or other reasonable satisfactory evidence of exemption if either Party is exempt from such Governmental Charges.

27. Section 10.1—Term of Master Agreement. Section 10.1 is replaced in its entirety, as follows:

“10.1 Term of Master Agreement. Unless earlier terminated pursuant to the terms of this Confirmation Agreement, the “Term” of this Confirmation Agreement shall be from the date first written above until payment for the last delivery of Product hereunder; provided, however, that such termination shall not affect or excuse the performance of either Party under any provision of this Confirmation Agreement that by its terms survives any such termination.”

28. Section 10.2—Representations and Warranties.

- (i) Section 10.2(viii) shall be amended by adding at the end thereof:

“; it is understood that information and explanations of the terms and conditions of each such Transaction shall not be considered investment or trading advice or a recommendation to enter into that Transaction; no communication (written or oral) received from the other Party shall be deemed to be an assurance or guarantee as to the expected results of that Transaction; and the other Party is not acting as a fiduciary for or an adviser to it in respect of that Transaction;”

- (ii) Section 10.2 is amended by adding the following as a new subsection (xiii):

“(xiii) Each Party qualifies as (i) an “eligible contract participant” as defined at Section 1a(18) of the Commodity Exchange Act and (ii) as to transactions to be entered into on “electronic trading facilities”, an “eligible commercial entity” as defined at Section 1a(17) of the

Commodity Exchange Act. The material terms of each Transaction have been individually negotiated and tailored to each Party.”

(iii) Section 10.2 is amended by adding the following as a new subsection (xiv);

“(xiv) Notwithstanding the representations and warranties set forth in 10.2(ii), in the event Seller does not have all necessary FERC authorizations for it to legally perform its obligations under this Master Agreement for each Transaction (including any Confirmation accepted in accordance with Section 2.3), Seller shall make any such filing with FERC no later than ten (10) Business Days after the execution of this Confirmation Agreement. Within the later of two (2) Business Days after (A) the execution of this Confirmation Agreement and (B) such filing of this Confirmation Agreement with FERC, Seller will give written notice of such filing to the Buyer. The Seller will use its best efforts to secure the timely acceptance and/or approval from FERC without condition or modification in order to effectuate the terms of this Confirmation Agreement, and Buyer will not interfere with Seller’s efforts and will use commercially reasonable efforts, at Seller’s request and cost, to assist and support Seller in such efforts. Upon any action by FERC with respect to the above filing, whether acceptance, approval, rejection or otherwise, Seller shall promptly notify Buyer of any such action. Pending such FERC acceptance and/or approval, on or prior to ten (10) Business Days prior to the applicable Delivery Period, Seller shall either (i) give Buyer written notice that Seller will not deliver and schedule the Product with respect to such applicable Delivery Period, in which case the Quantity of the Product for such Delivery Period shall be zero (0) or (ii) commit to deliver the Product for such applicable Delivery Period and complete MISO scheduling tasks for such applicable Delivery Period pursuant to Section 3.2; provided, if Seller fails to give notice or commit deliver and schedule the Product within such time period, then the Quantity of the Product for such Delivery Period shall be zero (0). If Seller elects to deliver and schedule the Product, then Seller shall perform its obligations under this Confirmation Agreement with respect to such Product and Buyer shall have all rights to such Product so delivered and scheduled pursuant to this Confirmation Agreement. Buyer will not be required to make any payment to Seller pursuant to Section 3 hereof until Seller receives such acceptance and/or approval. Upon receipt of such FERC acceptance and/or approval, Seller may provide an invoice for all amounts then due under this Confirmation Agreement, which such invoice shall be paid by Buyer within ten (10) Business Days of receipt of such invoice. In the event FERC does not accept or approve this Confirmation Agreement without condition or modification or rejects this Confirmation Agreement, upon Seller’s or Buyer’s receipt of such condition, modification or rejection from FERC, this Confirmation Agreement shall be of no further force or effect and neither Party will have any further liability or obligation to the other Party under this Confirmation Agreement, except to the extent Seller has committed to deliver and schedule Product as provided in (ii) above. In

such event, Seller shall be liable for the delivery and scheduling of such Product pursuant to this Confirmation Agreement.”

29. Section 10.7—Notices. Section 10.7 is amended as follows:

By inserting in the fourth line after the word “service” the following: “, electronic means”; and

By inserting in the fourth line after the word “by” the following: “electronic means,”; and

By inserting the following at the end of the sentence in the fourth line: “provided, however, that any non-routine notices (e.g., notices of default) shall be delivered by a means other than an electronic means.”

30. Section 10.8—General. Section 10.8 is amended by adding the following to the end of the section:

“This Agreement may be executed in counterparts, each of which will be deemed an original but all of which taken together will constitute one and the same original instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or electronic means shall be effective as delivery of a manually executed counterpart of this Agreement. Electronic or fax copies of executed original copies of this Agreement shall be sufficient and admissible evidence of the content and existence of this Agreement to the same extent as the originally executed copy or copies (if executed in counterpart)”

31. Section 10.9—Audit. Section 10.9 is amended by inserting the phrase “certified and authenticated copies of, or originals at the option of the Party providing the records,” in the second line between the phrase “to examine” and the phrase “the records.”

“10.10 Bankruptcy Issues. The Parties intend that (i) all Transactions constitute a “forward contract” within the meaning of the United States Bankruptcy Code (the “Bankruptcy Code”); (ii) all payments made or to be made by one Party to the other Party pursuant to this Agreement constitute “settlement payments” within the meaning of the Bankruptcy Code; (iii) all transfers of Performance Assurance by one Party to the other Party under this Agreement constitute “margin payments” within the meaning of the Bankruptcy Code; and (iv) this Agreement constitutes a “master netting agreement” within the meaning of the Bankruptcy Code. To the extent that Section 365 of the Bankruptcy Code applies to this Confirmation Agreement and all other Fixed Price Customer Supply Contract(s), the Parties agree that all transactions with each of the Parties under this Confirmation Agreement and all other Fixed Price Customer

Supply Contracts constitute one integrated transaction that can only be assumed or rejected in its entirety.”

33. Section 10.11—Confidentiality. Section 10.11 is replaced in its entirety, as follows:

“If the Parties have elected on the Cover Sheet to make this Section 10.11 applicable to this Master Agreement, neither Party shall disclose the terms or conditions of a Transaction under this Master Agreement or the completed Cover Sheet to, or any annex to, this Master Agreement to a third party (other than the Party’s or the Party’s Guarantor employees, lenders, counsel, accountants or advisors (all collectively referred to as “Representatives”) who have a need to know such information and who the Party is satisfied will keep such terms confidential) except in order to comply with any applicable law, regulation, or any exchange, control area or independent system operator rule or in connection with any court or regulatory proceeding; or request by a regulatory authority and in the event that any disclosure is requested or required by the regulatory authority or a government body by interrogatory, request for information or documents, subpoena, deposition, civil investigative demand or applicable law, the Party subject to such request or requirement may disclose to the extent so requested or required but shall promptly notify the other Party, prior to such disclosure, if such Party’s counsel determines that such notice is permitted by law, so that the other Party may seek an appropriate protective order or waive compliance with the provisions of this Section 10.11. Failing the entry of a protective order or the receipt of a waiver hereunder, that Party may disclose that portion of the Confidential Information as requested or required. In any event, a Party will not oppose action by the other to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded the Confidential Information; provided, however, each Party shall, to the extent practicable, use reasonable efforts to prevent or limit the disclosure. Notwithstanding the foregoing, Party B may disclose the terms of this Confirmation Agreement to the Illinois Power Agency (“IPA”). Each Party shall be liable for breach of any confidentiality obligation pursuant to this Master Agreement by such Representatives. The Parties shall be entitled to all remedies available at law or in equity to enforce, or seek relief in connection with, this confidentiality obligation. The Parties shall maintain the confidentiality of the terms of all Transactions in compliance with section 16-111.5(h) of the Illinois Public Utilities Act (220 ILCS 5/16-111.5(h)).”

34. The following is added to the Master Agreement as Section 10.12:

“10.12 Electronic Imaged Documents. Any original executed Agreement or other related document may be photocopied and stored on computer tapes and disks (an “Imaged Agreement”). Any Imaged Agreement, if introduced as evidence on paper, and all computer records, if introduced as evidence in printed format, in any judicial, arbitration, mediation or administrative proceedings, will be admissible as between the Parties to

the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither Party shall object to the admissibility of the Confirmation Agreement or the Imaged Agreement (or photocopies of the Confirmation Agreement or the Imaged Agreement) on the basis that such were not originated or maintained in documentary form under the hearsay rule, the best evidence rule or other rule of evidence.”

35. The following is added to the Master Agreement as Section 10.13:

“10.13 FERC Standard of Review; Mobile-Sierra Waiver.

(a) Absent the agreement of all Parties to the proposed change, the standard of review for changes to any rate, charge, classification, term or condition of this Agreement, whether proposed by a Party (to the extent that any waiver in subsection (b) below is unenforceable or ineffective as to such Party), a non-party or FERC acting sua sponte, shall be solely the most strict standard set forth in United Gas Pipe Line Co. v. Mobile Gas Service Corp., 350 U.S. 332 (1956) and Federal Power Commission v. Sierra Pacific Power Co., 350 U.S. 348 (1956) and clarified by Morgan Stanley Capital Group, Inc. v. Public Util. Dist. No. 1 of Snohomish, 554 U.S. 527 (2008) and further refined in NRG Power Marketing v. Maine Public Utilities Commission, 558 U.S. 165 (2010) (the “Mobile-Sierra” doctrine). The Parties acknowledge that this agreement constitutes a contract rate, and all future proposed changes or challenges will be reviewed pursuant to the public interest application of the just and reasonable standard of review.

(b) In addition, and notwithstanding the foregoing subsection (a), to the fullest extent permitted by applicable law, each Party, for itself and its successors and assigns, hereby expressly and irrevocably waives any rights it can or may have, now or in the future, whether under §§ 205 and/or 206 of the Federal Power Act or otherwise, to seek to obtain from FERC by any means, directly or indirectly (through complaint, investigation or otherwise), and each hereby covenants and agrees not at any time to seek to so obtain, an order from FERC changing any section of this Agreement specifying the rate, charge, classification, or other term or condition agreed to by the Parties, it being the express intent of the Parties that, to the fullest extent permitted by applicable law, neither Party shall unilaterally seek to obtain from FERC any relief changing the rate, charge, classification, or other term or condition of this Agreement, notwithstanding any subsequent changes in applicable law or market conditions that may occur. In the event it were to be determined that applicable law precludes the Parties from waiving their rights to seek changes from FERC to their market-based power sales contracts (including entering into covenants not to do so) then this subsection (b) shall not apply, provided that, consistent with the foregoing subsection (a), neither Party shall seek any such changes except solely under the “public interest” application of the “just and reasonable” standard of review and otherwise as set forth in the foregoing section (a).”

36. The following is added to the Master Agreement as Section 10.14:

“10.14 Exclusive Jurisdiction. With respect to any action, suit or proceedings relating to this Confirmation Agreement (“Proceedings”), each Party irrevocably: (i) submits to the exclusive jurisdiction of the courts of the State of Illinois and the United States District Court located in the Northern District of Illinois, and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have jurisdiction over such Party. Nothing in this Confirmation Agreement precludes either Party from bringing Proceedings in any other jurisdiction in order to enforce any judgment obtained in any Proceedings referred to in the preceding sentence, nor will the bringing of such enforcement Proceedings in any one or more jurisdictions preclude the bringing of enforcement Proceedings in any other jurisdiction.”

3. The Guaranteed Party may, at any time and from time to time, without notice to or consent of the Guarantor, without incurring responsibility to the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions: (a) take or refrain from taking any and all actions with respect to the Guaranteed Obligations, any document or any person (including the Counterparty) that the Guaranteed Party determine in their sole discretion to be necessary or appropriate; (b) take or refrain from taking any action of any kind in respect of any security for any Guaranteed Obligation(s) or liability of the Counterparty to the Guaranteed Party; or (c) compromise or subordinate any Guaranteed Obligation(s) or liability of the Counterparty to the Guaranteed Party including any security therefor.

regulations or powers), structure or ownership of the Counterparty or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar proceedings affecting the Counterparty or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligations; (f) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Counterparty, the Guaranteed Party or any other corporation or person, whether in connection herewith or in connection with any unrelated transaction; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim; (g) the invalidity, irregularity or unenforceability in whole or in part of the Agreement or any Guaranteed Obligations or any instrument evidencing any Guaranteed Obligations or the absence of any action to enforce the same, or any provision of applicable law or regulation purporting to prohibit payment by the Counterparty of amounts to be paid by it under the Agreement or any of the Guaranteed Obligations; and (h) except for a failure to comply with any applicable statute of limitations, any other act or omission to act or delay of any kind of the Counterparty, any other guarantor, the Guaranteed Party or any other corporation, entity or person or any other event, occurrence or circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of the Guarantor's obligations hereunder.

5. The Guarantor hereby irrevocably waives (a) any right of reimbursement or contribution, and (b) any right of salvage against the Counterparty or any collateral security or guaranty or right of offset held by the Guaranteed Party therefor until all Guaranteed Obligations to the Guaranteed Party pursuant to the Agreement have been irrevocably paid in full.

6. The Guarantor will not exercise any rights which it may acquire by way of subrogation or any other right to payment until all Guaranteed Obligations to the Guaranteed Party pursuant to the Agreement have been irrevocably paid in full.

7. Subject to the terms and conditions hereof, this Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. The rights, powers and remedies herein expressly provided are cumulative and not exclusive of any rights, powers or remedies, which a Guaranteed Party would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of a Guaranteed Party to any other or further action in any circumstances without notice or demand.

8. This Guaranty shall be binding upon the Guarantor and upon its successors and assigns and shall inure to the benefit of and be enforceable by the Guaranteed Party and their successors and assigns; provided, however, that the Guarantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Guaranteed Party. The assignment rights of the Guaranteed Party will be in accordance with any applicable terms of the Agreement.

9. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except upon written agreement of the Guaranteed Party and the Guarantor.

10. The Guarantor's liability as guarantor shall continue and remain in full force and effect in the event that all or any part of any payment made hereunder or any obligation or liability guaranteed hereunder is recovered (as a fraudulent conveyance, preference or otherwise) rescinded or must otherwise be reinstated or returned due to bankruptcy or insolvency laws or otherwise. If claim is ever made upon the Guaranteed Party for repayment or recovery of any amount or amounts received from the Guarantor or the Counterparty in payment or on account of any of the Guaranteed Obligations and the Guaranteed Party repay all or part of such amount by reason of (a) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property, or (b) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Guarantor), then and in such event the Guarantor agrees that any such judgment, decree, order,

settlement or compromise shall be binding upon it, notwithstanding any revocation hereof or the cancellation of the Agreement or other instrument evidencing any liability of the Guarantor, and the Guarantor shall be and remain liable to the Guaranteed Party hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by the Guaranteed Party.

11. Subject to Paragraph 10, this Guaranty shall remain in full force and effect until all Guaranteed Obligations have been fully and finally performed, at which point it will expire. The Guarantor may terminate this Guaranty upon thirty (30) days prior written notice to the Guaranteed Party which termination shall be effective only upon receipt by the Guaranteed Party of alternative means of security or credit support, as specified in the Agreement and in a form reasonably acceptable to the Guaranteed Party. Upon the effectiveness of any such expiration or termination, the Guarantor shall have no further liability under this Guaranty, except with respect to the Guaranteed Obligations arising or created prior to the time the expiration or termination is effective, which Guaranteed Obligations shall remain guaranteed pursuant to the terms of this Guaranty until finally and fully performed.
