Indexed Renewable Energy Credit Procurement Results

In accordance with Section 16-111.5(h) of the Illinois Public Utilities Act and ICC Orders, the following information is made public at the time of Commission approval of a procurement event under the Indexed REC Procurement: (i) the names of successful bidders; (ii) the average of the winning bid prices for each contract type and contract duration; (iii) the address and nameplate capacity of the new renewable energy generating facility; (iv) the annual quantity of RECs selected; and (v) the business address and contact information for each successful bidder. These are provided below. There were three winning projects in the Summer 2025 Indexed REC RFP that are proposed to be located at least 50% within an Energy Transition Community Grant Area.
