

Time-of-Use RFP May 2020 Solicitation

May 14, 2020

The RFP documents for PPL Electric Utilities Corporation's Time-of-Use ("TOU") program for the May 2020 solicitation were issued on April 13, 2020 with a scheduled Bid Proposal Due Date of May 12, 2020. Bids were solicited to procure full requirements tranches to serve the TOU Load of customers in each of the Residential and the Small Commercial & Industrial Customer Groups for a 6-month delivery period from June 1, 2020 through November 30, 2020.

The TOU RFP failed to procure tranches for each of the Residential and the Small Commercial & Industrial Customer Groups for this May 2020 solicitation.

In accordance with Section 7.6 of the TOU RFP Process and Rules, the TOU Contingency Plan will be enacted for both Customer Groups. Under the TOU Contingency Plan, the TOU Load will be included in the Default Service Load for the applicable period and served by the Default Service Suppliers providing Default Service Supply under PPL Electric Utilities Corporation's current default service program under Docket No. P-2016-2526627.
