ALLENTOWN PA 18101

Re: PPL Electric Utilities Corporation  
Results of February 2025 Request for Proposals

Dear Ms. Klock:

On February 26, 2025, PPL Electric Utilities Corporation (PPL or the Company) filed the results of its Request for Proposals (RFP) Process and Rules for the February 2025 Solicitation for provider of last resort service. The filing includes bid results for a Full Requirements RFP for Residential, Small Commercial & Industrial, and Large Commercial & Industrial customers who receive default service from PPL during the period June 1, 2025 through May 31, 2027.

This filing was submitted in accordance with the RFP Process and Rules filed by PPL on August 27, 2024 as part of a Joint Petition for Settlement. The RFP Process and Rules were approved as modified by the Settlement in the Commission's Order, entered November 7, 2024, at Docket No. P-2024-3047290.

PPL requests that the Commission approve the bid results of the February 2025 Solicitation on or before February 27, 2025.

Further investigation does not appear to be warranted at this time, since the results of the February 2025 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct PPL to disclose the results of this February 2025 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

Rosemary Chivetta  
Secretary
